SALEM SCHOOL NEWS

Personals About Students and Teachers in the Grades

East School.
Miss Frieda Spitzbart, late of Colorado, has just entered the eighth grade.

The teachers in the advanced grades at East school have certain pupils take a subject or topic, that has some connection with the lessons and make special preparation on it, and when this preparation is made to address the class on that subject.

The East school has a circulating library and the principal of that school says he has noticed that most of the reading that is done is by pupils of the intermediate grades.

Quite a number of drawings which are work of the pupils are exhibited in halls of the East school. These pupils have no regular drawing teacher but this subject is paid special attention to. Each pupil is required to turn in eighteen separate drawings, either original or copied. The work that is out certainly shows talent and deserves special mention.

North School.
The total number enrolled in the North school this school year to date is 317—164 boys and 153 girls. The whole number registered this term, from February 10 to April 19, is 216—141 boys and 120 girls.

Those present Friday at school numbered 241—126 boys and 115 girls. The percentage of attendance is over 92 per cent of number enrolled this term, and 95 per cent of average number belonging to the school. This certainly is a good showing for North school.

All departments are making a creditable advancement in regular school work. The general order and discipline maintained is excellent. The few absences caused now are by sickness as measles and grip.

Yew Park School.
Daniel Zeh, who is just from Walla Walla, entered school Tuesday.

During the good weather the pupils of the Park school have formed ranks on the grounds and march into the building four abreast. In this way every pupil can be marched into the building in about two minutes. The building may be emptied in the same time.

The Jeffersonian club held its regular monthly meeting on Friday. The club is composed of the pupils in the principal's room. Debates are a regular feature on the programs. The subject of the last debate was, "Resolved, that Washington did more for his country than Lincoln."

Lincoln School.
The debating society in the principal's room at Lincoln school met Friday afternoon. A real interesting debate was held. The names of the pupils on the affirmative were Clare Alford, Ross Van Osdale, Arleta Capper, Lenord Mason, Glee Alford; negative, Ruby Hark, Theodore Kooreman, Margaret McGilchrist, Joe Martin and Charles Bentley.

The attendance has been very good this month there has been scarcely any dropping out.

Preparing for Golden Flood.

Paris, April 20.—The six "American Months" of the Paris year have now begun, and the managers of the Boulevard shops and fashionable hotels rub their hands with satisfaction as they read in the press one description after another of the beginning of the annual American movement toward French shores.

"They've had another wonderfully prosperous year," is the word passed from the Madeleine to the Place de la Bastille, and from the church of Notre Dame to the Arc de Triomphe. All is ready and the best suites in most of the large hotels are reserved for the use of the Americans.

Mme. Refane has had a special comedy, "Paris and New York," written expressly to attract Americans to her theater, built according to American ideas of comfort. Several of the most prominent portrait painters who usually make tours of the United States, have decided to vary the program and are fixing up magnificent studios in the neighborhood of the Bois de Boulogne to receive their share of the golden flood.

A Woman's Back

Has many aches and pains caused by weakness and falling, or other displacement, of the pelvic organs. Other symptoms of female weakness are frequent headache, dizziness, imaginary specks or dark spots floating before the eyes, gnawing sensation in stomach, dragging or bearing down in lower abdominal or pelvic region, disagreeable drains from pelvic organs, faint spells with general weakness.

If any considerable number of the above symptoms are present there is no remedy that will give quicker relief or a more permanent cure than Dr. Pierce's Favorite Prescription. It has a record of over forty years of cures. It is the most potent invigorating tonic and strengthening agent known to medical science. It is made of the glyceric extracts of native medicinal roots found in our forests and contains not a drop of alcohol or harmful, or habit-forming drugs. Its ingredients are all printed on the bottle wrapper and attested under oath as correct.

Every ingredient entering into "Favorite Prescription" has the written endorsement of the most eminent medical writers of all the several schools of practice—more valuable than any amount of non-professional testimonials—though the latter are not lacking, having been contributed voluntarily by grateful patients in numbers to exceed the endorsements given to any other medicine extant for the cure of woman's ills.

You cannot afford to accept any medicine of unknown composition as a substitute for this well proven remedy or know your interests, even though the dealer may make a little more profit thereby. Your interest in regaining health is paramount to any selfish interest of his and it is an insult to your intelligence for him to try to palm off upon you a substitute. You know what you want and it is his business to supply the article called for.

Dr. Pierce's Pleasant Pellets are the original "Little Liver Pills" first put up by old Dr. Pierce over forty years ago, much imitated but never equaled. Little sugar-coated granules—easy to take as candy.

"American of the better classes have decided that its more 'chic' to be painted in Paris than in New York or Chicago, but for this we raised the price 25 per cent," was the remark made by a famous portrait painter, whose luxurious studio on Boulevard Bineau is flanked by a consulting room for the use of fresh Yankee aspirants for his favors, making it look like the office of a fashionable doctor. From the tops of department stores flutter the stars and stripes besides the tricolor, to the exclusion of other flags of other nations whose people spend much less money and who want their change back. The very dates of certain horse races have been changed so as to fall on Sundays and has lost a large amount of American patronage. The prices of all articles such as experience has shown that Americans are sure to buy have been doubled and tripled. Even the spring is doing its best to help the Parisians in the usual degree of harvest this year, for not in a dozen years has the season been so sunny and warm as this.

Sterns, druggist, Shullsburg, Wis., writes, May 20, 1902: "I have been selling Ballard's Horehound Syrup for two years, and have never had a preparation that has given better satisfaction. I notice that when I sell a bottle they come back for more. I can honestly recommend it." 25c, 50c and \$1.00. Sold by D. J. Fry.
