One-Half the World

Wear glasses, but not half of that half wear the right glasses. The wrong glasses are often worse than none; they are a constant strain and a permanent injury to the eyes. Only scientific examination can determine what glasses your eyes require, you can't tell by trying on glasses.

Be on the safe side; let our optician give your eyes careful examination. It doesn't cost anything—he can tell you just what you need—delays are dangerous. Our prices are reasonable, and we guarantee satisfaction.

A large number of relatives and friends were present yesterday to pay the last tribute of affection to the memory of one who was loved by all she met.

Unfortunate Accident—C. P. Lloyd and son, Percy, of East Salem, who were out driving yesterday, had the misfortune to have a little runaway, which proved a serious accident to Mr. Lloyd. FARMING PAYS HERE.

Some Figures Which Show the Profits of Farming in the Willamette Valley.

Woodburn—If the true farming conditions of this section were more widely known in the east there would be thousands more coming to Oregon, regardless of whether there are special railroads rates or full fare. Here is only a few instances of how farming in this vicinity pays, reference being made to recent sales of 1906 crops:

P. J. Anderson, ten acres of potatoes, sold for \$1043.

Martin Bergan, six acres of potatoes, sold for \$750.

Bonnet Bros., one and three-fourths acres of potatoes, sold for \$317.

Homshorn Bros., four acres of onions, sold for \$890.

Innumerable instances can be given of big profits being made by producers in potatoes, onions, hops, clover seed and other outputs, and the future looks so exceedingly bright that our farmers are preparing to increase their acreage. The markets are all that could be desired.

Mrs. G. Stephens, of Portland, arrived this morning to visit her mother, Mrs. A. Thomas, of this city.

Time Extended.

The plaintiff and defendants in the I. N. Maxwell vs. P. L. Frazier and Fred Hurst suit have agreed to extend the time to June 1, 1907, in which to file a transcript in the supreme court, and an order to that effect has been issued by Judge Burnett. C. L. McNary appears for the plaintiff and Carey Martin represents P. L. Frazier and George H. Bingham is attorney for Fred Hurst.

CHESTERFIELD

Psychic Palmist and Clairvoyant

My only reason for calling you by name and what you call for is incidentally a chain to read by; what is more important to serious people is what to do, or what to expect regarding present or future affairs.

If you are ambitious, if you wish to be a success; if you are involved in any unhappy love affair, or if you desire to better your financial condition; if you are in doubt concerning your future and wish to attain that subtle, potent, magnetic force, that seductive, attractive personal charm so irresistible in its power to dominate and control others, then go at once and consult with Prof. Chesterfield; he is ever ready to help those with capital to find a safe and good paying investment; this he can do and ask no fee until the investment pays a handsome profit. Is this not honest? You hear the truth and nothing but the truth.

Greatest living astral dead-trance clairvoyant of the age; adviser on business and all affairs of life; tells your full name and what you called for, whom you will marry, how to control the one you love, even though miles away; reunites the separated; gives secret power to control; no long delays in waiting. In Salem one week only. Special low fee all this week. Parlors 466 State street Hughes block. Office hours 9 a. m. to 9 p. m. Daily and Sunday.
