OS BAY MARSHAL IS YOUNG

WILL BE 85 IN SEPTEMBER

as a Kitten. Nothing to Do and Gets Munificent Salary of \$5 Per Month

(Coos Bay Harbor.)

Empire is always an entrancing but it is particularly beautiful at this time of year. Empire has the appearance of Goldsmith's village but without the streets. There are no lights in the streets of the Empire. On the contrary its streets are a closely clipped lawn which family cow keeps well cropped. That picture of Empire a home-ly scene?

At this time the grass in the gravelled streets is a carpet of daisies white and blue. Some have yellow hearts and others a deep pink. A yellow dandelion protrudes its head here and

Empire has the only domesticated dandelion on the bay, a plant owned by Mrs. McCollum from the some years ago and planted on the porch. Standing as it does out in the open where it gets the sun, this bush blooms long before the forest brethren. Last Saturday was loaded with flowers and a man on the porch caught the thief stealing around the block just as he looked at this rhododendron. The presence of a woman is a good thing as it saved the thief from the temptations of the flower. A woman always of some account if it is only to save the other half of the flower from a few sins.

It is said that the darkest day is before the dawn. Surely Empire has seen its darkest days. There is evidence of revival on every side. A barber shop has opened in Rogers corner and those unshorn heads of pioneers are falling before sharp shears of a would-be tonorialist. John Peterson has the danger of a calm sea and opened the Hotel Arago, for 13 years the hostelry of mine host John Peterson. Mr. Peterson thinks he can blow the wind for a summer voyage and invites all tourists who like a clean, airy room a salt breeze and a good table to come over and dine with him.

Empire is the abode of pioneers,

old men, wise acres, capitalists and poor but honest toilers. There are John Shahan and Joe Palmer and Robert Shine, all hard workers, nobody thinks. Shine may earn his salary when Elijah Smith comes out, but the only busy men in town are John Shahan and the chief of police. William Klahn complains that times are so dull that he can't afford to mix a drink for himself any more and he has stopped all the county papers. The Harbor which for more than two years had drawn loafers and trade around a winter's stove had also to be included in the list.

But it is with the chief of police with which this article mostly has to do. In the palmy days when Empire was the county seat and boasted a population of 800 souls and several lawyers and editors it paid its city marshal a salary of \$85 per month.

The present city marshal has fallen upon evil times indeed and were he not possessed of a private income from a chicken yard and vegetable garden he would be a subject for starvation or charity. The city pays the marshal the munificent stipend of \$5 per month. And there is not a thing in the world in Empire on which to work a graft.

The youth and buoyancy of the present incumbent of the marshal's office are even more remarkable than his salary. Everybody calls Dad Smith and if he lives till the 30th day of next September he will be 85 years old. You might take him to be no more than 45, such is the rejuvenating qualities of the Empire sea breeze. People never die in Empire but they sometimes wither up and blow away.

Jacob Smith was born in New Jersey. When he reached the age of 70 he decided to go west and grow up with the country and landed in Empire. Shortly after his arrival Empire needing a man of his activity and courage for the responsible position of city marshal selected Dad Smith.

Then came the hard times and Empire began a policy of retrenchment until it had the marshal's salary to ten halves each calendar. Dad Smith was disgusted at first. It was an insult to the dignity of position to make the remuneration so small and he informed the city council that they need not expect him to do any work. But this suited the city council.

Dad Smith has had no occasion to make an arrest for more than a year. The people of Empire are law abiding and if occasion ever requires they lean on one another going home. But this is not often if ever.

Dad Smith is good for another ten years at least and he has a cinch on the office of city marshal. If the chickens continue to lay and the peas to grow with a patriotism he has shown in the past he no doubt can

manage to support the office for it can't support him.

However, what need has Empire of a police officer? Empire is the preacher's ideal of heaven, a place of rest, peace and contentment. What more does a man want?

To Collect Note.

Mary C. Wilson has filed proceedings in department No. 1, of the circuit court, to collect a note alleged to have been made in her favor by J. J. Fidler and wife in 1904. The principle of note is set forth to be \$100 and no part of which except \$2 has been paid. The plaintiff asks judgment for \$98 together with interest and \$50 for attorneys fees and costs of action.

LAME EVERY MORNING.

A Bad Back Is Always Worse in the Morning—Salem People Are Finding Relief.

A back that aches all day and causes discomfort at night is usually worse in the morning. Makes you feel as if you hadn't slept at all.

Can't cure a bad back until you cure the kidneys. Doan's Kidney Pills cure sick kidneys—make you feel better, work better, rest better and sleep better.

Permanent cures in Salem prove the merit of Doan's.

I. N. Ridgeway, with the Oregon Nursery company and living at 208 Commercial St., Salem, Ore., says: "I knew I had kidney trouble because there were pains in the small of my back and twinges when I stooped or lifted. Even at night the pains were still there, and in the morning I would arise lame and sore. I tired easily and felt languid and sometimes was dreadfully nervous. Occasionally I had headaches and at such times my sight would be blurred. There was also a sediment in the secretions. My experience proved that Doan's Kidney Pills have no superior for curing kidney complaint and backache. They are just the thing every sufferer from these troubles should use. Nothing could have suited me as better. They went right to the seat of the trouble and completely relieved me. Doan's Kidney Pills have my endorsement."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Beware of Ointments for Catarrh That Contain Mercury.

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescription from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonial free.

"The Blood is The Life."

Science has never gone beyond the above simple statement of scripture. But it has illuminated that statement and given it a meaning ever broadening with the increasing breadth of knowledge. When the blood is "bad" or impure it is not alone the body which suffers through disease. The brain is also affected, and many an evil deed or impure thought may be directly traced to the impurity of the blood. Foul impure blood can be made pure by the use of Dr. Pierce's Golden Medical Discovery. It cures and purifies the blood thereby curing, pimples, blotches, eruptions and other cutaneous affections, as eczema, tetter, or salt-rheum, hives and other manifestations of impure blood.

In the cure of scrofulous swellings, enlarged glands, open eating ulcers, or old sores, the "Golden Medical Discovery" has performed the most marvelous cures. In cases of old sores, or open eating ulcers, it is well to apply to the open sores Dr. Pierce's All-Healing Salve, which possesses wonderful healing potency when used as an application to the sores in conjunction with the use of "Golden Medical Discovery" as a blood cleansing constitutional treatment. If your druggist don't happen to have the "All-Healing Salve" in stock, you can easily procure it by enclosing fifty-four cents in postage stamps to Dr. R. V. Pierce, 663 Main St., Buffalo, N. Y., and it will come to you by return post. Most druggists keep it as well as the "Golden Medical Discovery."

You can't afford to accept any medicine of unknown composition as a substitute for "Golden Medical Discovery," which is a medicine of known composition, having a complete list of ingredients in plain English on its bottle-wrapper, the same being attested as correct under oath. Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels.

DANGER IS LURKING IN IT.

When your bathroom or lavatory isn't fitted up with modern sanitary plumbing. Sewer gas is more dangerous in winter than in summer, because ventilation is not so free. You will ward off disease by having your closets, bathroom, kitchen, sinks, and water pipes overhauled. We make a specialty of sanitary plumbing and do it scientifically and at reasonable prices.

PURE FOOD LAW

How many people are there among you who know what it means? If an article is pure, the manufacturers are more than pleased to say it on the labels of their goods and in their advertising. If they were adulterated, they will say nothing until forced to by law. Again, many dealers will order the adulterated goods because they can make more profit on them than is possible to do on wholesome, pure foods. So, if you get pure food, you will have to select the brand and insist on getting it from your dealer or send to the manufacturer for your supply.
