

Cough Medicine

Ayer's Cherry Pectoral is a regular cough medicine, a strong medicine, a doctor's medicine. Good for easy coughs, hard coughs, desperate coughs. If your doctor fully endorses it for your case, then take it. If not, then don't take it. Never go contrary to his advice. We have no secrets! We publish the formulas of all our preparations. J. C. Ayer Co., Lowell, Mass.

NDING BY THEIR OWN PAPER

Are Backing the Capital Journal Fight For Reforms

people generally are giving Capital Journal hearty support for substantial reforms. A few spoils politicians curse the Journal and run the streets peddling little sops of patronage without regard to party business principles applied to affairs. Farmers are especially interested in the Journal's fight for reforms, and the publicity it is giving expenditures that are being made in many different forms. The fight to take the referendum out of a million of extravagant appropriations of the last legislature is backed by The Journal and is winning out. The suit to compel recovery of \$100 fees illegally retained by officials, and the fight to limit state and county expenses, are practical business propositions that can be won by a vigilant newspaper, and the people appreciate things. The Journal has heard from many subscribers this week, and many are new subscribers. We print their names and want all who favor these things to get in and help circulate the Journal and Weekly Journal. They are the cheapest papers in the county, and can be made effective by wide circulation. We send this paper to your friends as well as to you as a volunteer cause of doing the right thing that has laid its hands too heavily on the taxpayer and deserves a shout. E. Bon, Salem. Wm. Good Words for Chamberlain's Cough Remedy.

People everywhere take pleasure in testifying to the good qualities of Chamberlain's Cough Remedy. Mrs. Edward Phillips of Barclay, Md., writes: "I wish to tell you that I can recommend Chamberlain's Cough Remedy. My little girl, Catherine, who is two years old, has been taking this remedy whenever she has had a cold since she was two months old. About a month ago I contracted a dreadful cold myself, but I took Chamberlain's Cough Remedy and was soon as well as ever." This remedy is for sale by Dr. Stone's drug store.

Pioneers to Meet.

The Waldo Hills Pioneer association has fixed Saturday, June 15, as the date for its annual meeting, and the place of meeting will be in the grove on J. A. Hunt's farm. On account of very inclement weather last year the meeting was almost a failure, but this year the association is bound to make it a success, rain or shine.

The Lewisburg band will furnish the music for the occasion and a musical program will be rendered. Mrs. P. L. Blackerby has been commissioned to have charge of this feature, and this is sufficient to say it will be worthy of attention.

The circle drill team of Marion Circle, W. O. W., will also participate in the exercises of the day.

J. A. Hunt, president of the association, was in the city Saturday making arrangements for the meeting. Prominent speakers of the county will be present and an old fashioned basket dinner will be served.

Everybody should begin now to make arrangements to attend this meeting.

Chamberlain's Colic, Cholera and Diarrhoea Remedy.

There is probably no medicine made that is relied upon with more implicit confidence than Chamberlain's Colic, Cholera and Diarrhoea Remedy. During the third of a century in which it has been used, people have learned that it is the one remedy that never fails. When reduced with water and sweetened it is pleasant to take. For sale by Dr. Stone's drug store.
