SONG OF THE WANDERING TRAMP.

Hurrah, fer de halcyon days of June!
Dem's d. days dat puts me in tune;
Nothin' to do but lay in de sun,
While de bugs an' de bees all over me run.
Holy smoke, what a jolly life!
No bills ter pay; no scoldin' wife!
I'm away from de city's loud noise and strife,
Ah, give me June!

O, give me June! how sweet ter lay
'Neath a tree on a sunny day;
Nothin' ter do, an' never work,
But hide in close while I wash my shirt.
Ah, dis is de life of de free an' de brave!
A great bit safer dan life on de wave,
An' thank der Lord I don't have ter shave,
Ah, give me June!

—From the June Bohemian.
WHY THE PEOPLE WANT ROOSEVELT.

The command of the people who are not getting special privileges from the government is that the President take another term and complete the work he has only just begun.

For once the people say let the office command the man. The chaser after that high dignity and mighty responsibility SHALL NOT COMMAND THE OFFICE.

The people, regardless of party lines, not only approve of what Roosevelt has done, but they want it continued.

They want a little more OF THE SAME KIND OF GRAPE AND CANNISTER.

If he is not nominated and elected all that he has done will be undone and reforms will be given a fatal backset.

Anyway that is what the people generally say and think, and THEY ARE GOING TO HAVE THEIR WAY THIS TIME.

Indications are that Roosevelt will not only be nominated but elected and that in spite of his wishes in the matter.

Conventions and nominations will be mere empty forms. THE PEOPLE WILL DO THE VOTING.

The people want Roosevelt because they know what they are getting. Is not a cat-in-a-bag statesman.

He is not an uncertain quantity. HE WILL PROSECUTE A CORRUPT MACHINE POLITICIAN EVERY TIME.

He will demand that only men with clean public records be appointed.

On a recent visit to California the writer found that SENTIMENT IS UNANIMOUS FOR A SECOND ELECTIVE TERM FOR PRESIDENT ROOSEVELT.

The reports received from other friends in Oregon leads us to the conclusion that if anything the Roosevelt sentiment is stronger now than it was when he was elected in 1904.

The Capital Journal today prints an interview which appeared in a number of leading papers in the East; also an editorial appearing in the Washington Herald, referring to Senator Bourne's interview.

His analysis of the situation, while fully realizing that the President is not a candidate and does not wish to succeed himself, is that he would accept the nomination when demanded practically unanimously by the people.

WE DO NOT SEE HOW HE COULD DO OTHERWISE.

Senator Bourne is trying to help, to the extent of his ability, IN THE CRYSTALLIZATION OF PUBLIC OPINION, TO COMMAND THE PRESIDENT to rescind his declaration and serve the country, as its Chief Executive until 1913.

The Capital Journal, believing that it is what the people want, will continue to champion the necessity of the people commanding President Roosevelt TO SERVE THE NATION FOR A SECOND ELECTIVE TERM.

What Do They Cure?

The above question is often asked concerning Dr. Pierce's two leading medicines, "Golden Medical Discovery" and "Favorite Prescription." The answer is that "Golden Medical Discovery" is a most potent alterative or blood-purifier, and tonic or invigorator and acts especially favorably in a curative way upon all the mucous lining surfaces, as of the nasal passages, throat, bronchial tubes, stomach, bowels and bladder, curing a large per cent. of catarrhal cases whether the disease affects the nasal passages, the throat, larynx, bronchus, stomach (as catarrhal dyspepsia), bowels (as catarrhal colic, diarrhoea, dysentery or other pelvic organs). Even in the chronic or alternative stages of these affections, it is often successful in affording cures.

The "Favorite Prescription" is advised for the cure of one class of diseases and another class of diseases. It is a powerful yet gentle acting invigorating tonic and nervine. For weak worn out, over-worked women—no matter what has caused the break-down, "Favorite Prescription" will be found most effective in building up the strength, regulating the womanly functions, subsiding pain and bringing about a healthy, vigorous condition of the whole system.

A book of particulars wraps each bottle giving the formulae of both medicines and quoting what scores of eminent medical authors, whose works are consulted by physicians of all the schools of practice as guides in prescribing, say of each ingredient entering into these medicines.

The words of praise bestowed on the several ingredients entering into "Doctor Pierce's medicines" by such writers should have more weight than any amount of non-professional testimonials, because such men are writing for the guidance of their medical brethren and know whereof they speak.

Both medicines are non-alcoholic, non-secret, and contain no harmful habit-forming drugs, being composed of glyceric extracts of the roots of native American medicinal forest plants. They are both sold by dealers in medicine. You can't afford to accept as a substitute for one of these medicines of known composition, any secret nostrum.

Dr. Pierce's Pills, small, sugar-coated, easy to take as candy, regulate and invigorate stomach, liver and bowels.

\$5,000 Reward

Will be paid to any person who can find one atom of opium, chloral, morphine, cocaine, ether, chloroform, heroin, alpha and beta eucaine, cannabis indica, or chloral hydrate or any of their derivatives, in any of Dr. Miles' Remedies. This applies to goods in original packages, unopened, and not tampered with. Certain unscrupulous persons are making false statements about these remedies.

"I have been troubled with a terrible headache for the last ten years; the doctors could do me no good. I saw Dr. Miles' Anti-Pain Pills advertised in the Sunday magazine, so I thought I would try a sample. I did so, and they helped me wonderfully. I had headaches so badly I could hardly see to work, so I sent to the drug store and got a box. In a couple of hours I was all right. It was the first medicine to do me any good."

Beware of Ointments for Catarrh That Contain Mercury,

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescription from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonial free.

Sold by all druggists. Price, 75c per bottle.

Take Hall's Family Pills for constipation.

Chamberlain's Colic, Cholera and Diarrhoea Remedy.

There is probably no medicine made that is relied upon with more implicit confidence than Chamberlain's Colic, Cholera and Diarrhoea Remedy. During the third of a century in which it has been used, people have learned that it is the one remedy that never fails. When reduced with water and sweetened it is pleasant to take. For sale by Dr. Stone's drug store.
