

Colds on the Chest

Ask your doctor the medical name for a cold on the chest. He will say, "Bronchitis." Ask him if it is ever serious. Lastly, ask him if he prescribes Ayer's Cherry Pectoral for this disease. Keep in close touch with your family physician, and follow his advice carefully.

PUBLIC SCHOOLS

Graduating Exercises. Last Wednesday evening the Central school presented a very interesting program which was a success every way.

There was a large attendance, and the exercises were followed by an elegant social, the proceeds to be for the benefit of the school.

The following is the program:

- Rev. P. S. Knight
Emma Tweed
Earl G. Desart
Supt. E. T. Moore

The regular grade work is finished in all the rooms and now the pupils are very diligently reviewing all subjects.

The attendance at Lincoln school was very poor Friday, on account of the holiday given the day before.

Miss Bellinger returned from her trip in Eastern Oregon Monday and is again at her work.

The little program which was given Wednesday in honor of Decoration day was very well presented.

Mr. Bachelor, Mr. Smith and Mr. Stockton, the committee of old soldiers, responded very heartily to the efforts of the children to entertain them.

There were a great many visitors present. The flag drill by Miss Pohl's pupils was especially good.

The attendance at the Park school is falling off, as a great many of the pupils are stopping to work in the cannery and elsewhere. Tests are being given this week for a review for the closing term.

Parents should see that their children are in school now every day until the close.

Attendance at the North school corresponds favorably with that of last year.

The memorial program Wednesday was well presented and never has there been a larger attendance on any decoration day.

There seems to be much improvement in the writing, compositions spelling and reading in different grades. This is accounted for by the pupils having access to the circulating libraries. A large majority of the children have read extensively

Spelling Contest Called Off. The spelling match that was to have been held yesterday for the dollar prize, was indefinitely postponed. There was such a small number in each class willing to take part that it was considered useless to hold the contest at present.

If the donor of the prize would be willing to let that offer go on some other line in the coming year, it would perhaps be better all around.

In a great many towns where they have high schools, it frequently happens that citizens who are interested in the high school work, offer a standing prize of some kind annually. This encourages the pupils and they strive all the harder to make the desired results. This would be a splendid inducement in Salem's High school.

Lincoln. Miss Barmen's room earned two half holidays in the last two months which was given them yesterday. To earn these half holidays there must be no tardy marks or unexcused absences for a month.

The memorial program given Wednesday was very interesting and was ably presented. Three of the old soldiers were there and at the closing of the exercises, spoke to the children of their experiences in the army.

along supplementary reading afforded by these libraries. A good deal of their reading has been utilized in dictation and reproduction. A few cases of measles are reported at the North school, but not so many as at the other schools, especially the East and Central.

The teachers are planning where and how to spend their vacation. Some are going to the seaside, some to California and some to Eastern Oregon.

All will spend a portion of the summer in reviewing lines of work that will be helpful in their work for the coming year.

Every progressive teacher ought to take a course in some summer school or by some specialist. This is one way to increase the salaries, and to climb as the old saying goes, "There is always room at the top."

It is noticeable that the teachers of North school are very much interested in discussing section 15 of the Salem course of study, and with great approval.

A Fancy Price for a Fancy Name. The Philadelphia Evening Telegraph says: "Baccarat glass was required by the specifications and contract for the new Capitol chandeliers. Baccarat glass is made in Baccarat, France, and is supposed to represent the last word in glassmaking. Sanderson, the contractor, went to Pittsburgh, which does not make Baccarat glass, but can make glass quite as good. That, however, is not the point. Baccarat glass was stipulated for, and Sanderson got another glass which he put on the chandeliers as Baccarat glass. He paid the Pittsburgh manufacturers \$29,847.49 for it, that, presumably, being a just price for the domestic product; but when he put it on the chandeliers it was an imported product proceeding out of a rare foreign process and dignified by a heavy duty, and he charged the state of Pennsylvania \$138,757.69. Of course this was no extortion. It was only Sanderson's idea of a fair profit." Other developments are of similar character and are simply astounding.

Every Man His Own Doctor. The average man cannot afford to employ a physician for every slight ailment or injury that may occur in his family, nor can he afford to neglect them, as so slight an injury as the scratch of a pin has been known to cause the loss of a limb. Hence every man must from necessity be his own doctor for this class of ailments. Success often depends upon prompt treatment, which can only be had when suitable medicines are kept at hand. Chamberlain's Remedies have been in the market for many years and enjoys a good reputation.

Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. Chamberlain's Cough Remedy for coughs, colds, croup and whooping cough.

Chamberlain's Pain Balm (an antiseptic liniment) for cuts, bruises, burns, sprains, swellings, lame back and rheumatism pains.

Chamberlain's Stomach and Liver Tablets for constipation, biliousness and stomach troubles.

Chamberlain's Salve for diseases of the skin.

One bottle of each of these five preparations costs but \$1.25. For sale by Dr. Stone's drug store.

Rev. Anna H. Shaw, noted woman lecturer and president of the National Women Suffrage Association, is building a handsome home for herself at Moylan, Pa.

How's This? We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure. F. J. Cheney & Co., Toledo, O.

"The Blood is The Life."

Science has never gone beyond the above simple statement of scripture. But it has illuminated that statement and given it a meaning ever broadening with the increasing breadth of knowledge.

When the blood is "bad" or impure it is not alone the body which suffers through disease. The brain is also affected, the mind and judgement are clouded, and many an evil deed or impure thought may be directly traced to the impurity of the blood.

Dr. Pierce's Golden Medical Discovery, it enriches and purifies the blood thereby curing, pimples, blotches, eruptions and other cutaneous affections, as eczema, tetter, or salt-rheum, hives and other manifestations of impure blood.

In the cure of scrofulous swellings, enlarged glands, open eating ulcers, or old sores, the "Golden Medical Discovery" has performed the most marvelous cures. In cases of old sores, or open eating ulcers, it is well to apply to the open sores Dr. Pierce's All-Healing Salve, which possesses wonderful healing potency when used as an application to the sores in conjunction with the use of "Golden Medical Discovery" as a blood cleansing constitutional treatment.

If your druggist don't happen to have the "All-Healing Salve" in stock, you can easily procure it by inclosing fifty-four cents in postage stamps to Dr. R. V. Pierce, 603 Main St., Buffalo, N. Y., and it will come to you by return post. Most druggists keep it as well as the "Golden Medical Discovery."

You can't afford to accept any medicine of unknown composition as a substitute for "Golden Medical Discovery," which is a medicine of known composition, having a complete list of ingredients in plain English on its bottle-wrapper, the same being attested as correct under oath. Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels.
