Boozers Landed.

John Doe, of Portland, arrived in here yesterday to transact important business at the state land office, and, being a stranger in the city, he probably went before the bar, not the legal bar, but the legalized one, to locate himself. He soon found that his brain was beginning to whirl and that he saw strange sights. When he awoke, instead of being in the land office, he had been landed in Judge Moore's hotel at the city hall, and at the same time heard the words: "John Doe fined \$5 for drunkenness and disorderly conduct." He paid his fine.

The chief of police also arrested Pat Brannen last night on the charge of being drunk. Brannen will work five days for the city to pay his fine. He has been in the employ of the city before.

Steamer Vulcan Burned.

The river towboat Vulcan burned to the water's edge at Supple's wharf, Portland, last night about 9:30. For awhile it looked as though the steamer Sue H. Elmore would be destroyed, but the fire boat, after throwing an immense volume of water on the blazing craft, turned her out into the stream. She is a total loss, and is valued at \$20,000.

Thoughtful Mothers

above all things wish to give their children pure, healthful food. Indigestion sufferings are caused by the use of cheap, unwholesome baking powders. Don't risk health to save a few cents in price. That is not economy. You cannot have good, healthful food unless you use pure baking powder.

Miss Shelton's Recital Tonight.

The regular piano recital of the pupils of Miss Beatrice Shelton will occur this evening at the First M. E. church, at 8:15 p. m. The players, and there are some very capable students among them, will be assisted by Mrs. Hallie Parrish Hinges, soprano. The Tuesday evening recital was a great success, and was enjoyed by a crowded house, hence it is believed that, with the addition of Mrs. Hinges, that a rare treat is in store for those who attend this evening. Since her return from the East, where she spent two years in study, Mrs. Hinges pleases her legion of friends better than ever, and Miss Shelton and her pupils are fortunate to have her assistance. The public is cordially invited to this recital, and no charge will be made.
