GOOD NEWS.

Many Salem Readers Have Heard It And Profited Thereby.

"Good news travels fast," and the thousands of bad back sufferers in Salem are glad to learn that prompt relief is within their reach. Many a lame, weak, and aching back is but no more, thanks to Doan's Kidney Pills. Our citizens are telling the good news of their experience with the Old Quaker Remedy. Here is an example worth reading:

O. W. Vaughn of 3 State Street, Salem, Ore., says: "Doan's Kidney Pills procured at Dr. Stone's drug store proved to be a reliable remedy for backache and all forms of kidney complaint. I obtained the best of results from their use, and a child in our family who had been afflicted with weakened kidneys and nocturnal trouble got entirely well in a short time through the use of Doan's Kidney Pills. This should commend the remedy to all parents who have children troubled in any way with kidney complaint."

During the year just passed the state produced, according to careful estimates, 125,000,000 bushels of corn, not to mention cotton, wheat and other staples, the value of the first mentioned cereal being in the neighborhood of \$37,600,000.

The Kind You Have Always Bought

Where the chief purpose of the wood lot is the production of the best quality of firewood in the shortest possible time the soft maple excels any other variety. The seeds should be planted in June as soon as they ripen in rows and the following spring transplanted to the plot where it is intended they should grow.

Tetter Cured.

A lady customer of ours had suffered with tetter for two or three years. It got so bad on her hands that she could not attend to her household duties. One box of Chamberlain's Salve cured her. Chamberlain's medicines give splendid satisfaction in this community.—M. H. Rodney & Co., Almond, Ala. Chamberlain's medicines are for sale by Dr. Stone's drug store.

On the basis of estimates which have been made every person in the United States should plant a tree apiece every year to keep the lumber reserves of the country from becoming exhausted.

The Early Bird.

Bishop Potter of Connecticut is noted for his funny stories, and his latest is said to be about an old reprobate who decided to repent, and announced to everyone that whatever wrong he had done should be made right. So a man whom he had cheated out of a large sum of money went around at midnight to demand it.

"But what did you come at this hour for and wake me up? Why not wait till tomorrow?" said the old sinner crossly.

"I came now," replied the man, "to avoid the rush."—Harper's Weekly.

Do Not Neglect the Children.
