ELECTION GROWING WARMER

The election for school director in this district promises to be a trifle more interesting than was at first supposed. Since the last report in this paper another petition has been filed with the clerk, that of W. H. Dairymple, the Englewood contractor. Mr. Dairymple is said to be a Democrat, and he is, now busy at Newport, building the new skating rink for George Meyers and Harry Albert. He has also taken the contract to build a cottage for Mayor Rodgers, on Court street. As was previously stated, W. P. Babcock is the candidate from South Salem, and, as manager of the Salem Flouring mills, has proven a popular business man. Frank Holmes, the candidate from East Salem, has practiced law in Salem for over ten years, and is very popular with his friends. It is reported that a petition is also out asking A. N. Moores to be a candidate. The election will be held next Monday at the usual places, from 2 to 7 p. m.
