"No doubt."

Remarkable Rescue.
That truth is stranger than fiction, has once more been demonstrated in the little town of Fedora, Tenn., the residence of C. V. Pepper. He writes: "I was in bed, entirely disabled with hemorrhages of the lungs and throat. Doctors failed to help me, and all hope had fled when I began taking Dr. King's New Discovery. Then instant relief came. The coughing soon ceased; the bleeding diminished rapidly, and in three weeks I was able to go to work." Guaranteed cure for coughs and colds, 50c and \$1.00 at J. C. Perry's drug store. Trial bottle free.

X-RAYS

The state of Washington has a law forbidding the sale or giving away, making or having papers with which to make cigarettes in one's possession—but permits their manufacture for export. This reminds one of Sherman county, this state, that went rabidly prohibition some years ago, but the whole county turned out to celebrate the establishing of a distillery in the county, because it would increase the price of wheat.

"Angels don't wear whiskers and pants, or at least we never saw any that did," comments the Nashville American. Has our esteemed contemporary ever seen any that didn't?—Baker Democrat.

Well, they surely don't wear whiskers.

Miss Ethel Barrymore, an actress, who heard part of Orchard's testimony, says: "Orchard looks so pure and sweet, I know he must be telling the truth. Now if she believed Orchard was telling the truth, what kind of degeneracy is she possessed of, to admire him?"

Ethel Barrymore, the actress, thinks "Orchard looks so pure and sweet," and that Haywood and Adams are toughs by the side of him. Maybe Ethel wants to win the undying affection of a mine owner.

Now get ready for the Turner campmeeting. The weather clerk has ordered fair weather for tomorrow, and also a variety a trifle warmer.

The Magic No. 3.

Number three is a wonderful mascot for Geo. H. Parris of Cedar Grove, Mo., according to a letter which reads: "After suffering much with liver and kidney trouble, and becoming greatly discouraged by the failure to find relief, I tried Electric Bitters, and as a result I am a well man today. The first bottle relieved and three bottles completed the cure." Guaranteed best on earth for stomach, liver and kidney troubles, by J. C. Perry druggist. 50c.

A Bold Step.

To overcome the well-grounded and reasonable objections of the more intelligent to the use of secret, medicinal compounds, Dr. R. V. Pierce, of Buffalo, N. Y., some time ago, decided to make a bold departure from the usual course pursued by the makers of put-up medicines for domestic use, and so has published broadcast and openly to the whole world, a full and complete list of all the ingredients entering into the composition of his widely celebrated medicines. Thus he has taken his numerous patrons and patients into his full confidence. Thus too he has removed his medicines from among secret nostrums of doubtful merits, and made them *Remedies of Known Composition.*

By this bold step Dr. Pierce has shown that his formulas are of such excellence that he is not afraid to subject them to the most searching scrutiny. Not only does the wrapper of every bottle of Dr. Pierce's Golden Medical Discovery, the famous medicine for weak stomach, torpid liver or biliousness and all catarrhal diseases wherever located, have printed upon it in plain English, a full and complete list of all the ingredients composing it, but a small book has been compiled from numerous standard medical works, of all the different schools of practice, containing very numerous extracts from the writings of leading practitioners of medicine, endorsing in the strongest possible terms, each and every ingredient contained in Dr. Pierce's medicines. One of these little books will be mailed free to any one sending address on postal card or by letter, to Dr. R. V. Pierce, Buffalo, N. Y., and requesting the same. From this little book it will be learned that Dr. Pierce's medicines contain no alcohol, narcotics, mineral poisons or other poisonous or injurious agents and that they are made from native medicinal roots of great value; also that some of the most valuable ingredients contained in Dr. Pierce's Favorite Prescription for weak, nervous, over-worked, "run-down," nervous and debilitated women, were employed, long years ago, by the Indians for similar ailments affecting their squaws. In fact, one of the most valuable medicinal plants entering into the composition of Dr. Pierce's Favorite Prescription, was known to the Indians as "Squaw-Weed." Our knowledge of the uses of not a few of our most valuable native medicinal plants was gained from the Indians. As made up by improved and exact processes, the "Favorite Prescription" is a most efficient remedy for the various and womanly functions, correcting displacements, as prolapsus, anteversion and retroversion, overcoming painful periods, toning up the nerves and bringing about a perfect state of health. Sold by all dealers in medicines.
