

SHORT TALKS BY
L. T. COOPER.

INDIGESTION.

Show me a person who suffers from indigestion or dyspepsia and I will show you a person with the meanest disposition on earth. You can't blame them. Nothing in the world takes all the cheer and brightness out of life like a bulky stomach. People who suffer in this way feel out of humor, out of sorts and irritable all the time. They can't eat a meal without suffering intensely afterward. Their faces are usually covered with pimples and blotches. They always have headache, constipation, are tired and listless and as many whom I have talked to put it "just feel mean and bad all over." They are always dosing themselves on pills and pre-digested foods and the like until they have so weakened their stomachs that they can't eat anything. It's all nonsense. I have seen and talked with people who had lived for months on milk and toast, take a bottle or two of Cooper's New Discovery and inside of two weeks sit down and eat a big meal at night then go to bed and sleep as well as any one. There is one case I have in mind.

Mrs. Ellen Keogh, 1907 Ogden Ave., Superior, Wis., recently wrote me: "No one knows what awful suffering I have endured from indigestion. My stomach would not digest the simplest foods and no matter what I ate I would be made to suffer afterwards. I was also constipated and had queer dizzy spells and painful headaches. Oft times I felt so badly that I could scarcely walk. I had taken Cooper's New Discovery but had a short time when I noticed a decided improvement. Now I can truthfully say I feel greatly improved in every way and today for the first time in ten years I enjoyed a hearty meal. I am indeed very grateful to you."

The fact that Mr. Cooper's medicines enjoy larger sales than any others is proof of their great merit.

FOR OUR DAILY DIET.

Good, nutritious bread is just as important as clean, rich milk. Our physicians tell us of the disease "germs that breed so readily in impure milk, which no doubt is true. It is equally true of uncleanly and unwholesome bread, which is the reason you should use Ullom's bread. It is not only clean and nutritious, but it is mixed and baked under absolutely sanitary conditions.
