

The New Oil Stove

Different from other oil stoves. Superior because of its economy, cleanliness, and easy operation. The

NEW PERFECTION Wick Blue Flame Oil Cook-Stove

saves fuel expense and lessens the work. Produces a strong working flame instantly. Flame always under immediate control. Gives quick results without overheating the kitchen. Made in three sizes. Every stove warranted. If not at your dealer's, write our nearest agency for descriptive circular.

THE Rayo Lamp

is the best lamp for all-round household use. Made of brass throughout and beautifully nickel-plated. Perfectly constructed; absolutely safe; unexcelled in light-giving power; an ornament to any room. Every lamp warranted. If not at your dealer's, write to our nearest agency.

STANDARD OIL COMPANY (INCORPORATED)

Her Answer.

A bashful swain was he, and so His fervid declaration wrote, And finished up his letter thus: "My love, on you I simply dote!"

But by return of post he got An answer to his frenzied note. It just contained this crisp advice: "You better find an antidote!"

A Memorable Day.

One of the days we remember with pleasure, as well as with profit to our health on which we became acquainted with Dr. King's New Life Pills, the painless purifiers that cure headache and biliousness, and keep the bowels right. 25c at J.C. Perry's drug store.

A New Pest.

A mysterious blight is affecting two well-known hop yards in the Beaverton section. The occurrence puzzles the owners of the yards and is causing considerable apprehension among neighboring farmers. The disease or pest, or whatever it is, first shows itself at the tip of the vines, which wilt and turn yellow, and then rapidly spread down the vine. The lower part of the vine remains healthy and the root continues sound, but the fruitfulness of the plant is out of the question. Not only single vines but acres of them have been blighted in these yards.—Forest Grove Times.

EUGENE TO BUILD TO COAST

Will Have Trains Running While Hariman Monkeys

Eugene, Or., July 6.—At a mass meeting practically the required amount of stock subscriptions in a company to build a railroad from this city into the timber 30 miles west of here was taken. Stephen Carver, who is at the head of the movement, has subscribed \$60,000 worth of stock, and has asked the citizens of Eugene and Lane county to raise a like sum. A committee has been working on the project for several weeks and up to yesterday had succeeded in raising \$40,000. The mass meeting was held for the purpose of raising the remainder, and while the entire amount was not raised the committee feels confident it can complete it in a day or so.

Fifteen miles of steel rails are on their way to Eugene from Pittsburg. It is desired to begin work on the line within a few weeks and complete ten miles of it before the fall rains set in. When the spring season opens next year the work will be resumed and the 30 miles completed. It is then intended to bond the road for enough money with which to extend it to tidewater on the Siuslaw river, or clear through to the mouth of the river at Florence. The length of the road to Florence would be about 80 miles and to tidewater 60 miles.

There Are Few

People who know how to take care of themselves—the majority do not. The liver is a most important organ in the body. Herbine will keep it in condition. V. C. Simpkins, Albia, Texas, writes: "I have used Herbine for Shills and Fever and find it the best medicine I ever used. I would not be without it. It is as good for children as it is for grown-up people and I recommend it. It is fine for La Grippe." Sold by D. J. Fry.
