**Taxpayers Must Decide—**  
An opinion was yesterday given from the attorney-general's office concerning the funds on hand in the cancelled school district No. 12 of Union county. A letter was received from John Frayley, treasurer of Union county, asking if the money could be used to pay off the debt of the district. The funds on hand amounted to \$600. Attorney-General Crawford gave an opinion that the money should be applied to the purpose for which it was voted. The proper course, he said, would be to call a meeting of the taxpayers who had voted the money and allow them to decide the manner in which the amount shall be disposed of.

Fairmount Team Beaten Last Evening on Willamette Field—Score 4 to 0.

Standing of Teams.			
	Won.	Lost.	Pct.
Merchants	8	3	.728
Fairmount	5	6	.455
Y. M. C. A.	4	6	.400
Woolen Mills	4	6	.400

It was four for the Y. M. C. A. nine last evening and a goose egg for the Fairmount aggregation at the close of a warm game of baseball played on Willamette field. "Chow" Jerman again appeared in the pitcher's box for the association, and kept the Fairmount willow-wielders fanning the air trying to swat the horse hide.

Daue's arm was out of commission last evening, and Keeton did the twirling for the Fairmounts. He was hit quite freely, but, with fairly good support held his opponents down to four tallies.

The Association received its first honors last evening when in the first inning Southwick was walked to first. He stole second, and was brought home by sacrifice hits by Gabrielson and Coleman. Fairmount was unable to get further than second, and the first round closed 1 to 0.

In the second inning the Fairmounts narrowly averted a catastrophe, when Hunt hit a drive over third. Making first, he stole second and third, and Sanders went to bat with two out. He hit an infield ball, but was nailed before reaching first.

Jerman scored in the third and the other tallies were made by sacrifices and stealing.
