

If It's Neuralgia

and those sharp, shooting, agonizing pains drive you almost crazy, take Dr. Miles' Anti-Pain Pills, and get relief. They drive out the pain by their soothing effect upon the nerves. When taken as directed they are harmless, and leave no bad after-effects. That's the reason they are so popular with all who use them. Your druggist can tell you what others in your locality think of them.

"I do positively think that Dr. Miles' Anti-Pain Pills are the best medicine ever put upon the market. I find them so restful and soothing, and without any bad after-effects, I have suffered with neuralgia so that my system would just ache and quiver, and I cannot take opiates; but I can take these tablets, and they always relieve me. No one that suffers with neuralgia need fear to take them as I know they will not form a habit, for if there was any opiate in them I could not take them. Just one in the morning when I feel bad, and I can do my work all day."

MRS. W. H. BURKETT, Macon, Ga.

Dr. Miles' Anti-Pain Pills are sold by your druggist, who will guarantee that the first package will benefit. If it fails, he will return your money. 25 doses, 25 cents. Never sold in bulk. Miles Medical Co., Elkhart, Ind.

AN EASY WAY TO ADVERTISE THE STATE.

And Tell Our Eastern Friends All About the Superior Opportunities We Possess.

On April 29th last the Oregonian published a special industrial edition devoted exclusively to the exploitation of Oregon. It probably contained more special and miscellaneous information about Oregon than any one publication that has ever been issued. It is peculiarly useful and valuable to the homeseeker, because it gives the latest and most reliable information about so many different subjects that the homeseeker is naturally interested in. Almost every department of industry is specialized, and both descriptive and statistical information of a highly valuable character is given extensively and in entertaining form.

Residents of Oregon who know its advantages as compared with the congested and depleted east, and who still have friends back there whom they would like to see here enjoying the good things of this favored state, can aid in a splendid work without cost and very little effort. If you think your friend would be interested in knowing more about Oregon and might eventually become a valuable citizen, send his name and address to the general passenger agent of the Oregon Railway & Navigation company or the Southern Pacific at Portland, and a copy of this special edition, with a complete summary of the several subjects treated, carefully indexed, will be mailed to him promptly. In this manner you may be the means not only of doing your friend a good turn, but of helping to stimulate the growth and prosperity of Oregon.

Don't forget that commencing September 1st and continuing daily for two months, tickets will be on sale at almost every railroad station in the east to all points in Oregon and the northwest at what has come to be popularly known as "colonist rates." These rates are the cheapest general long distance rates ever established, and enable one to reach Oregon from any part of the United States at but a trifle more than one cent mile. They are the greatest incentive to colonization and progressive home building of any known agency, and if the restless, dissatisfied resident of the East is made to know before-hand the advantages he can enjoy here, the problem is solved, and the star of empire will continue to move steadily westward.

Now is the time to spread the gospel of Oregon, so that it may be heard and heeded by the time the rates go into effect. Send one name or two, or a dozen, and you will be exerting a worthy influence toward the upbuilding of our state. Send them to your nearest Southern Pacific agent or to Wm. McMurray, General Passenger Agent, Portland, Oregon. 6t-eod.
