IMPURE BLOOD.

If you could see inside the stomachs of most people who suffer from impure blood

LITTLE SON OF MRS. HAHN.

you would wonder that they are not suffering worse. The undigested portion of food eaten days ago is still lying there, fermenting, decaying and clogging the intestines. From this disgusting mass the blood must derive nourishment to carry to every organ of the body. Think of it. Is it any wonder their complexion is bad, their breath offensive, their bowels inactive and their health impaired in every way? Is it any wonder that they can get no relief from blood purifiers, purgatives when as fast as the blood is cleansed it is tainted again? Try a rational treatment. Take something to help the stomach rid itself of this stagnant mass and to keep it from accumulating. Then see if you don't improve. One bottle of Cooper's New Discovery will prove my words to you. I have seen hundreds of just such cases and here's one of them:

"About a year ago my little son, who is nearly four years of age, suffered an attack of scarlet fever. Soon after he contracted what we thought was some form of eczema. Sores and blotches broke out on him and he became weak and peevish. We tried physicians and medicines but nothing seemed to help him until several weeks ago we started to give him Cooper's New Discovery and noticed an improvement almost immediately. After a few doses we noticed his appetite was better and gradually his little face assumed a brighter appearance. His skin is now cleared up and I want to thank you sincerely for what the medicine has done for him." Mrs. Herman Hahn, 823 Johnson St., Nashville, Tenn.

Creating Land By Drainage.

One hundred and fifty million acres is the approximate area of the waste lands in the United States which are possible of reclamation and of being brought into a state of extraordinary fertility and productivity. They afford about equal opportunity for the two classes of improvement, irrigation and drainage. If anything, drainage should be the more popular and the more beneficial, for the reasons, first, that the swamp areas are generally in the midst of a more or less populous territory, with transportation facilities already developed; and second, that the engineering problems involved are comparatively simple and the cost of reclamation is much lower than by irrigation. The average cost of irrigation reclamation thus far undertaken by the government amounts to about \$30 an acre. The cost of drainage reclamation will not exceed, according to official estimates for most of the projects, \$5 or \$6 per acre. Such reclaimed lands will compare favorably with the best cultivated lands in the east and should eventually reach a value ranging from \$50 to \$220 per acre, based upon the present value of lands which have already been drained and farmed.—Guy Elliott Mitchell in the World Today.

The old remedies are the best. Hickory Bark Cough Remedy has been in use for over one hundred years by the old Dutch Dunkards of Pennsylvania, and is still in use by all the old families of Western Pennsylvania. Is absolutely pure; made from the bark of the white or shell-bark hickory tree. The bark is shipped from the east, and manufactured in Salem, Ore. For sale by all dealers everywhere.

Rewarded. Minister (meeting a small boy on Sunday afternoon carrying a string of fish)—Johnny, Johnny, do these belong to you? Johnny—Y-e-s, sir. You see, that's what they got for chasing worms on a Sunday.—Casell's Journal.

Croup Is a violent inflammation of the mucous membrane of the wind pipe, which sometimes extends to the larynx and bronchial tubes; and is one of the most dangerous diseases of children. It almost always comes on in the night. Give frequent small doses of Ballard's Horehound Syrup and apply Ballard's Snow Liniment externally to the throat. 25c, 50c and \$1.00. Sold by D. J. Fry.

Telling on Him. "I was surprised to note," remarked the mischief-maker, "that Jack Laxways isn't your steady company any longer." "Oh, but he is," replied the girl. "No; you're mistaken. I saw him coming out of Bingley's saloon today and he was very unsteady."—Exchange.

For an Impaired Appetite. Improve the appetite and then the digestion try a few of Chamberlain's Stomach and Bowel Tablets. Mr. J. H. Seitz of DeMick, says: "They restored my appetite when impaired, relieved me of bloating feeling and caused a most satisfactory movement of the bowels." Price 25 cents. Same for sale at Dr. Stone's store.
