

Cough Medicine

Ayer's Cherry Pectoral is a regular cough medicine, a strong medicine, a doctor's medicine. Good for easy coughs, hard coughs, desperate coughs. If your doctor fully endorses it for your case, then take it. If not, then don't take it. Never go contrary to his advice.

We have no secrets! We publish the formulae of all our preparations.

J. C. Ayer & Co., Lowell, Mass.

The Vanished Cult.

In this edition of the Morning Journal shall reach the hands of its readers the law of Oregon, to that end passed, will have operated the exclusion of the gambler from the four counties of the judicial district, to-wit, Clackamas, Multnomah, Columbia and Washington; and none of these counties any the worse for the order of the District Attorney Hedges, each, and all, be practically benefited.

Some days past there has been on the streets of Astoria, Oregon, vans, loaded with odd, yet handsome, parcels of various incident to the gambler, passing either to the store of its local owners, to the houses of the city for indefinite use, or to the rail and steamer stations, for shipment to more or less remote, but perfectly amenable to the "sport" parts, than this balliwick.

Gamblers, big, and little, the ones fry that flocks about the and sundry "banks" and are yielding up their dominions and habitates, and none, and in groups, are wending ways to other and more remote climes; but they are all friendly to Astoria, where they had a long and a good season of enjoyment, and probably have fair earnings on their varied with which they opened up

"Scoundrel!" hissed the head grafter to the pal who had betrayed him. "You didn't stay bought."

"Excuse me," responded the other, haughtily; "I was not bought. That deal with you was a mere lark. No man could buy me at the rate."

Philadelphia Ledger.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Getting Back.

"Then you refuse me?"

"You must consider me as your sister."

"In that case, I must offer some brotherly advice. Don't use so much rouge, sis. Young men don't care for it."—Louisville Courier-Journal.

The Limit of Life.

The most eminent medical scientists are unanimous in the conclusion that the generally accepted limitation of human life is many years below the attainment possible with the advanced knowledge of which the race is now possessed. The critical period, that determines its duration, seems to be between 50 and 60; the proper care of the body during this decade cannot be too strongly urged; carelessness then being fatal to longevity. Nature's best helper after 50 is Electric Bitters, the scientific tonic medicine that revitalizes every organ of the body. Guaranteed by J. C. Perry, druggist. 50c.

Might Be Worse.

"Yes, Tommy," said the mother, "everybody says the baby looks like you. Doesn't that please you?"

"Well," replied the boy, "I guess I can stand that, so long as nobody says I look like the baby."—Philadelphia Press.

HAD AN AWFUL TIME.

But Chamberlain's Colic, Cholera and Diarrhoea Remedy Cured Him.

It is with pleasure that I give you this unsolicited testimonial. About a year ago when I had a severe case of measles I got caught out in a hard rain and the measles settled in my stomach and bowels. I had an awful time and had it not been for the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy I could not have possibly lived but a few hours longer, but thanks to this remedy I am now strong and well. I have written the above through simple gratitude and I shall always speak a good word for this remedy.

Considerate.

"Lady with a flashy paste necklace wants to know whether it's pure diamond or not," said the jeweler's shopman.

"Look like a married woman?" inquired the jeweler.

"Yes, sir."

"Tell her it is. No use making trouble for poor husbands these hard times."—London Tit-Bits.

Pills and Piles.

A prolific cause of Piles is the use of cathartics and pills of a drastic, violent nature, always followed by a reaction on account of the resinous, drying properties they contain.

There are other causes, but no matter what the cause or what the kind of Piles, Dr. Leonhardt's Hem-Roid can be relied upon to cure—to stay cured.

It's an internal remedy that removes the causes of Itching, Blind, Bleeding or Suppurating Piles.

A guarantee goes with each package. \$1.00 at druggists, or Dr. Leonhardt Co., Niagara Falls, N. Y., Proprietors. Sold by Dr. Stone, Salem.

And lose all interest when help is within reach. Herbine will make that liver perform its duties properly. J. B. I have used it constantly I believe it to be the best medicine of its kind, and I wish all sufferers from these troubles to know the good Herbine has done me." Sold by D. J. Fry.

Remedy for Diarrhoea—Never Known to Fail.

"I want to say a few words for Chamberlain's Colic, Cholera and Diarrhoea Remedy. I have used this preparation in my family for the past five years and have recommended it to a number of people in York county and have never known it to fail to effect a cure in any instance. Chamberlain's Colic, Cholera and Diarrhoea Remedy Better Than Three Doctors.

"Three years ago we had three doctors with our little boy and everything that they could do seemed in vain. At last when all hope seemed to be gone we began using Chamberlain's Colic, Cholera and Diarrhoea Remedy and in a few hours he began to improve. Today is as healthy a child as parents could wish for."—Mrs. B. J. Johnston, Linton, Miss. For sale at Dr. Stone's drug store.

Cared for Her Teeth.

There were callers and no one seemed to notice the small girl who sat quietly in her corner.

Presently the conversation turned to dentistry. "It is really amazing," said her grandfather, "the progress that has been made in dentistry since I was a boy. But then, too, people take better care of their teeth now than they used to."

"I take good care of my teeth volunteered the three-year-old."

The visitors turned to her smiling.

"Is that so?" one exclaimed.

"How do you take care of your teeth, dear?"

The little girl glanced shyly at her grandfather.

"I keep mine in," she said.—Pathfinder.
