THE RIGHT MEDICINE FOR PELVIC TROUBLES FOUND IN PE-RU-NA.

MRS. CAROLINE KRAMER, Fort Collins, Col., writes:

"The majority of women who are suffering from disordered periods and other pelvic troubles, have such strong faith in doctors that they allow them to experiment on them for kidney, liver or stomach troubles until they become completely discouraged and their money is gone.

"This was my unfortunate experience for nearly two years when my attention was called to Peruna.

"I hardly dared believe that at last I had found the right medicine, but as I kept on using it and was finally cured, I could only thank God and take courage.

"I have had most satisfying results from the use of your medicine and have advised dozens of women who were suffering with woman's ills to use Peruna and let the doctors alone.

"Those who followed my advice are better today and many are fully restored to health."

Mrs. Wilda Mooers, R. F. D., No. 1, Lents, Ore., writes:

"For the past four years I was a wretched woman, suffering with severe backaches and other pains, leaving me so weak and weary that it was only with difficulty that I was able to attend to my household duties.

"I used different remedies, but found no relief until I had tried Peruna.

"Within two weeks there was a change for the better and in less than three months I was a well and happy woman. All the praise is due to Peruna."

The farmer's wheat will go to town. The price will spot him and go down, And the corn-fed hog, ere long to die, Will banquet in the fatal sty.

Vaughn Elba, Ala., writes: "Being a constant sufferer from constipation and a disordered liver, I have found Herbine to be the best medicine, for these troubles, on the market. I have used it constantly I believe it to be the best medicine of its kind, and I wish all sufferers from these troubles to know the good Herbine has done me." Sold by D. J. Fry.

Chamberlain's Colic, Cholera and Diarrhoea Remedy Better Than Three Doctors.

"Three years ago we had three doctors with our little boy and everything that they could do seemed in vain. At last when all hope seemed to be gone we began using Chamberlain's Colic, Cholera and Diarrhoea Remedy and in a few hours he began to improve. Today is as healthy a child as parents could wish for."—Mrs. B. J. Johnston, Linton, Miss. For sale at Dr. Stone's drug store.

Contrasted.

The head of a big firm of contractors was walking round the premises, and stopped to converse with old George, the stableman.

"Well, George, how goes it?" he said.

"Fair to middlin', sir," George answered. "Fair to middlin'."

And he continued to rub down a bay horse, while the other looked on in silence.

"Me and this 'ere horse," George said, suddenly, "has worked for you 16 years."

"Well, well," said the master, thinking a little guiltily of George's very low wage. "And I suppose you are both pretty highly valued, George, eh?"

"H'm," said George. "Both of us was took ill last week and they got a doctor for the hoss, but they just docked my pay."—Cassell's Journal.

"I found a bargain in men's shoes today," said Meeker. "That's more than I ever found," rejoined Mrs. Meeker, in a tone redolent with significance.
