

Spaulding stick and hit the ball. Southwick, over in center field, got his mitt on the horsehide, and when Nace reached first he found that he was too late. The next two men fanned, and this ended the first half, and the Merchants took the field.

Southwick and Bishop both swatted the sphere, but could not reach first; the next man fanned. Thus the players on both sides were counted out until in the second half of canto two Fleming sent a grounder through the bunch to center field, and scrambled down to first. He took second on a passed ball. Bowen took the big club and swatted a sacrifice hit just inside of first, and Fleming got his pedal extremities busy and ambled home. There was nothing happened after this but the routine stunts, until Gabrielson, in the third inning, batted the ball, which bounced over Pitcher King's head, and soon was safe on the first sack. Southwick then took the scantling and beat a grounder to station one, as a cloud of dust followed him. Careful Gabrielson went to second. Gabrielson then took third on a passed ball. Bishop located a twister, and landed safely on sack one; then Coleman swatted a sacrifice to short bringing in Gabrielson. Southwick was killed on the home plate, in trying to cross the pan, and this ended the tallying, leaving the Y. M. C. A. bunch victors by a 2 to 0 score.

Both teams played good ball, and the crowd knew that it was getting its money's worth.

Sympathy seemed to be about evenly divided, and the reporter on several occasions caught such romantic walls as, "Oh, I'm so sorry he fanned out; he has such pretty curly hair." "Isn't he a dear." I just wish he'd knock it clear over the fence." "Look at Whit's socks; they aren't mates." "Isn't Coleman a peach? Did you see him scoop in Morgan's fly?"

Russel Coleman, Curtis' big brother, was umpire, and made a hit with the fans by his good judgment and impartial decisions.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. Cheney & Co., Toledo, O.

Sold by druggists, 75c. Take Hall's Family Pills for constipation.

Washed Overboard.

It has been reported by local people, who have returned from Newport that one of the crew on the Gazelle while taking a party over the bar the other day was washed into the sea by a mammoth wave but was rescued by the use of preservers which were thrown from the little sea-going boat. The Gazelle is a gasoline boat which has been taking excursionists over the bar, but the deck is so near the water of the little craft that a large wave would sweep completely over the boat. It is said to draw but four feet of water and is considered by many unsafe for any ocean voyage.

The Story of a Medicine.

Its name—"Golden Medical Discovery" was suggested by one of its most important and valuable ingredients—Golden Seal root.

Nearly forty years ago, Dr. Pierce discovered that he could, by the use of pure, triple-refined glycerine, aided by a certain degree of constantly maintained heat and with the aid of apparatus and appliances designed for that purpose, extract from our most valuable native medicinal roots their curative properties much better than by the use of alcohol, so generally employed. So the now world-famed "Golden Medical Discovery," for the cure of weak stomach, indigestion, or dyspepsia, torpid liver, or biliousness and kindred derangements was first made, as it ever since has been, without a particle of alcohol in its make-up.

A glance at the full list of its ingredients, printed on every bottle-wrapper, will show that it is made from the most valuable medicinal roots found growing in our American forests. All these ingredients have received the strongest endorsement from the leading medical experts, teachers and writers on Materia Medica who recommend them as the very best remedies for the diseases for which "Golden Medical Discovery" is advised.

A little book of these endorsements has been compiled by Dr. R. V. Pierce, of Buffalo, N. Y., and will be mailed free to any one asking same by postal card, or letter addressed to the Doctor at above. From these endorsements, copied from standard medical books of all the different schools of practice, it will be found that the ingredients composing the "Golden Medical Discovery" are advised not only for the cure of the above mentioned diseases, but also for the cure of all catarrhal, bronchial and throat affections, accompanied with catarrhal discharges, hoarseness, sore throat, lingering, or hang-on-coughs, and all those wasting affections which, if not promptly and properly treated are liable to terminate in consumption. Take Dr. Pierce's Discovery in time and persevere in its use until you give it a fair trial and it is not likely to disappoint. Too much must not be expected of it. It will not perform miracles. It will not cure consumption in its advanced stages. No medicine will. It will cure the affections that lead up to consumption, if taken in time.
