STOLZ DECLINES THE JOB

THE NORTH COMMERCIAL BRIDGE

Says City Attorney and District Attorney Have Full Power to Investigate Charges of Grand On Contract

Gideon Stolz from special committee on North Commercial street bridge, requesting grand jury to Investigate his resolutions charging frauds in contract,' reported as follows:

"At the last meeting of the council I was made a special committee of one to secure an attorney to represent the city in an investigation of the North Commercial street bridge, under my resolution of September 2nd, said attorney to be specially appointed by the prosecuting attorney of this district for this special work. I wish now to report that after a careful consideration I must declined to name an attorney for this purpose on the ground that it is unjust and unfair to me, as to do so would involve me in the prosecution of the case for it would be most natural for such an attorney to require and request a line of action and a list of witnesses who should be subpoenaed and make me stand before the public as a public prosecutor and thereby make myself a target for political combinations, all of which is much more of a sacrifor the patronesses and the sylvan fice than any one man should make lone-handed, for the public good, was served. Intermingled hence I decline to make so great a

sacrifice. "My resolution requests the city attorney and the city recorder to col- that my resolution raises, and it made the opening announcements lect the evidence and we have the seems ridiculous for the present of the evening's pleasure and the assurance of the prosecuting attorcommittee on bridges to demand vindication as they are not involved. ney that he will co-operate to sift at least so far as Churchill and the matter to its limit, which meet"

> explaning is this: After this a con- Fry tract was made with the Portland

General Electric company to give

them a right of way over the center of said bridge and fill of eight feet

for \$2000, which deal practically gave them the entire use of said

bridge and fill that was then known

to cost the city fully \$12,000 and yet

left all maintenance at the expense of the city, and all the city got for
