GESNER VERSUS PRINTERS

Alderman Charges There Is a Trust Among Salem Disciples of Ben Franklin

Alonzo Gesner, who has become prominent as chairman of the bridge committee under the past two administrations, and who prepared the plans and specifications and superintended the construction of the North Commercial street bridge, Monday night indulged in a roast of the Salem job printing offices, that has caused a great deal of comment.

He stated, in substance, that in the matter of securing printed copies of the new Salem charter, the committee on printing would find all the job printers of the city had agreed on prices, and the committee would be held up and would get no element of competition. As it is a big piece of work, over 400 sections, and probably 3000 copies of 100 pages will have to be printed, his statements are of public interest.

Deny There is a Trust.

The job printers of the city are indignant at the statements made in the city council and say there is no shadow of a trust or agreement as to prices for any kind of work. In fact, a great deal of the job printing is done at ruinously low prices, and the better judgment of some of the proprietors is opposed to doing what they call cheap and unprofitable work. The Capital Journal office has no job presses, and does not hesitate to say that such printing can be done cheaper at Salem than in most cities of the state, and a great deal cheaper than at Portland. All the job offices in the city are union offices, and pay the union scale of labor. It takes more business ability to conduct a job printing office successfully than almost any kind of a shop where machinery is employed, and it is work that should be fairly well paid.

The Charter Printing.

A prominent book and job printer said this morning: "The new charter should be printed in pamphlet form and widely distributed. The law requires that a copy be mailed to every legal voter in the city, and that will require at least 3000 copies. There should be about 1000 copies printed for the city to have on hand in case the charter is adopted and becomes the fundamental law of the city. The charter is going to be closely examined by the voters, and will be critically inspected, line by line, section by section. It is not certain but that the people will offer amendments to it, or reject it. It should be given the widest publicity. So far, no one has seen a copy of the charter but the committee that drafted it and probably not all of those gentlemen. The members of the city council, who were not on the committee, know nothing of its actual contents. There was no more reason for Mr. Gesner's tirade against the job printers than there would have been for him to attack the man who furnishes the paper or does the binding. Let all live and do business on equal terms."

Don't Neglect It

It is a serious mistake to neglect a weak heart. It is such a short step to chronic heart disease. When you notice irregularity of action, occasional short breath, palpitation, fluttering, pain in chest or difficulty in lying on left side, your heart needs help—a strengthening tonic. There is no better remedy than Dr. Miles' Heart Cure. Its strengthening influence is felt almost at once.

"I have used 10 bottles of Dr. Miles' Heart Cure and can truthfully say it has done me more good than anything I have ever used, and I have tried nearly everything that I know of. The doctor who attended me asked me what I was taking and I told him Dr. Miles' Heart Cure. He said it was not going to do me any good, but it did. I have not taken any for a year now, and while there is occasionally a slight palpitation of the old trouble, it is not enough for me to continue the use of the medicine. If I should get worse I would know what to do. Take Dr. Miles' Heart Cure as I did before. I consider myself practically cured of my heart trouble." R. B. DUNHAM, Livingston, Tenn.

Dr. Miles' Heart Cure is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails he will refund your money. Miles Medical Co., Elkhart, Ind.

"The Blood is The Life."

Science has never gone beyond the above simple statement of scripture. But it has illuminated that statement and given it a meaning ever broadening with the increasing breadth of knowledge. When the blood is "bad" or impure it is not alone the body which suffers through disease. The brain is also clouded, the mind and judgement are affected, and many an evil deed or impure thought may be directly traced to the impurity of the blood. Four impure blood can be made pure by the use of Dr. Pierce's Golden Medical Discovery. It cures and purifies the blood, thereby curing, pimples, blotches, eruptions and other cutaneous affections, as eczema, tetter, or salt-rheum, hives and other manifestations of impure blood.

In the cure of scrofulous swellings, enlarged glands, open eating ulcers, or old sores, the "Golden Medical Discovery" has performed the most marvelous cures. In cases of old sores, or open eating ulcers, it is well to apply to the open sores Dr. Pierce's All-Healing Salve, which possesses wonderful healing potency when used as an application to the sores in conjunction with the use of "Golden Medical Discovery" as a blood cleansing constitutional treatment. If your druggist don't happen to have the "All-Healing Salve" in stock, you can easily procure it by enclosing fifty-four cents in postage stamps to Dr. R. V. Pierce, 603 Main St., Buffalo, N. Y., and it will come to you by return post. Most druggists keep it as well as the "Golden Medical Discovery."

You can't afford to accept any medicine of unknown composition as a substitute for "Golden Medical Discovery," which is a medicine of known composition, having a complete list of ingredients in plain English on its bottle-wrapper, the same being attested as correct under oath. Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels.
