

Comb Out?

Is your comb telling a story, the story of falling hair? Not a pleasant story, is it? It ends badly. The story we tell is pleasant—the story of Ayer's Hair Vigor. Promptly stops falling hair, destroys dandruff, keeps the scalp healthy. Does not color the hair.

MEETING OF CITY COUNCIL

Matters of Minor Importance Acted On and "Not Much of That"

Aldermen Low, Churchill, Haas, Radcliff, Waldo, Stolz, Greenbaum, Frasier, Stockton, Fraser were present.

The committee on ordinances reported with amendments as instructed. Adopted.

Committee on lights reported for an incandescent light at Eighteenth and Court streets.

The bid of W. H. Burghardt & Co. for printing 2000 copies charter in point type, to be about 130 pages, and to cost \$279.50, was accepted.

The special committee of Bayne and Greenbaum reported amendments to the Northwestern Telephone company requiring payment of one per cent on gross earnings after 4 years, and that when they shall connect with any other company same shall be null and void.

Mr. Stockton moved to amend the time limit be two years for gross earnings tax go into effect.

Mr. Bayne made the point that the Northwestern was a long distance company only.

The Stockton amendment was adopted.

Abating Nuisances.

Health Officer Smith and Dr. Morse of the state board of health, reported unsanitary condition of several waterways used for drainage and cesspools. Adopted.

Mr. Bayne favored enforcing the city ordinances to abate these nuisances. He moved that the city attorney be instructed to draw up an ordinance to carry into effect the recommendations of the report. Motion adopted.

Mr. Stolz said it would be time enough to draft ordinances for the suburbs when the ordinances we had in the parts of the city where they had city water, were enforced.

Mr. Low said the people in the suburbs had no water and no ordinance could apply to them.

Mr. Stockton moved a committee of three to investigate establishment of additional sewers. Adopted.

The liquor license of Felix La Bruache to John Doyens was granted.

Fair Grounds Streets.

Mr. Stockton called attention to the terrible condition of Fair

Grounds road, and moved that crushed rock be put on same.

Mayor ruled out of order as being in nature of permanent improvement.

Mr. Stockton said it was only in the nature of repairs and would wear out. He asked that people be allowed to use that street. Ruled out of order.

Mr. Haas showed that \$350 had been appropriated and was never used.

Mayor ruled that a new budget had been prepared since that money was appropriated.

Mr. Stockton appealed from ruling of mayor. Seconded by Mr. Low.

Mr. Greenbaum spoke for repairing the street. He regretted to differ with the mayor but wanted that street to be repaired. It was useless to stand on technicality for years and let wagons stick in the mud on that street.

Mr. Bayne referred to Sec. 53, providing for repairs. It would require an ordinance to make that repair. Sec. 25 made repairs from the general fund impossible.

Mr. Stockton said there was nothing in the charter to prevent letting people get into this city by fixing that street. The business men a year ago had raised a sum of several hundred dollars to help fix that street. The council had not used the funds that the business men of the city had put up.

On sustaining mayor vote was:

Ayes—Bayne, Churchill, Frasier, Haas, Waldo—5.

Noes—Greenbaum, Low, Radcliff, Stolz, Stockton—5. Mayor declared his ruling sustained.

Petition of W. W. Zinn for electric sign was referred to committee on streets with power to act.

Payroll for September allowed without amendment.

Bid of Warren Construction company for maintaining pavement of State street, at 2 1/2 cents per square yards per year, for 5 or 10 years, accepted.

Ordinance fixing curb lines on Broadway street, North Salem, read and passed. Also assessment to improve same, read and passed.

An ordinance to regulate laying water and gas mains on permanently improved streets, read and passed.

Northwestern Telephone franchise ordinance passed.

Mr. Frasier called attention to condition of walk on State street from Fifteenth street east. Referred to street commissioner.

Mr. Stockton moved that J. P. Frizzell, F. N. Derby, P. L. Frazier, be named as viewers to appraise and assess damages to property of Mrs. Mary Clark, for opening and widening Chemeketa street from Fourteenth to Fifteenth. Carried.

Salaries of special police during state fair be allowed.

HEAVIER PRUNE CROP.

La Grande Industry Is Growing at a Rapid Rate.

The prune industry is many times more successful in the Grande Ronde valley this year than any time in several years, says the La Grande Observer. Without a doubt the largest shipment of prunes out of here is going on this fall. E. Z. Carbine has filled seven cars out of an order of 10, a total which exceeds previous records by 75 per cent.

The remaining three cars will be shipped to the eastern markets next week. The fruit is bringing nice profit to the growers. The shipper's named drew from 65 to 75 cents a crate, a price which will encourage prune culture hereafter.

The apple shipments continue. One carload went yesterday and several will be ready to be forwarded to the markets early next week.

A Wise Pheasant.

R. L. Jones of Morningside about a week ago was surprised when he went forth to feed his chickens to see a China pheasant was among the domesticated flock. He did not disturb it and at night when the chickens went to roost their guest went along also. The pheasant has been running and roosting regularly with its newly made friends since. Mr. Jones in order to show a friend his new pet went into the yard a few days ago in the middle of the afternoon and called, "Chickie, chickie," and out from the woods came his chickens which were closely followed by the pheasant. Mr. Jones is very proud of his new pet and says that he would not kill her for any money.

Mr. W. C. Bott, a Star City, Ind., hardware merchant, is enthusiastic in his praise of Chamberlain's Cough Remedy. The Badge of Honesty

Is on every wrapper of Doctor Pierce's Golden Medical Discovery because a full list of the ingredients composing it is printed there in plain English. Forty years of experience has proven its superior worth as a blood purifier and invigorating tonic for the cure of stomach disorders and all liver ills. It builds up the run-down system as no other tonic can in which alcohol is used. The active medicinal principles of native roots such as Golden Seal and Queen's root, Stone and Mandrake root, Bloodroot and Black Cherry bark are extracted and preserved by the use of chemically pure, triple-refined glycerine. Send to Dr. R. V. Pierce at Buffalo, N. Y., for free booklet which quotes extracts from well-recognized medical authorities such as Drs. Bartholow, King, Scudder, Coe, Ellingwood and a host of others, showing that these roots can be depended upon for their curative action in all weak states of the stomach, accompanied by indigestion or dyspepsia as well as in all bilious or liver complaints and in all "wasting diseases" where there is loss of flesh and gradual running down of the strength and system.

The "Golden Medical Discovery" makes rich pure blood and so invigorates and regulates the stomach, liver and bowels, and through them, the whole system. Thus all skin affections, blotches, pimples and eruptions as well as scrofulous swellings and old open running sores or ulcers are cured and healed. In treating old running sores, or ulcers, it is well to insure their healing to apply to them Dr. Pierce's All-Healing Salve. If your druggist don't happen to have this Salve in stock, send fifty-four cents in postage stamps to Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y., and a large box of the "All-Healing Salve" will reach you by return post.

You can't afford to accept a secret nonum as a substitute for this non-alcoholic, medicine of known composition, not even though the urgent dealer may thereby make a little bigger profit.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.
