CHARGED WITH LARCENY.

George Huren Arrested by Chief Gibson on Instructions from Grants Pass.

Chief of Police Gibson yesterday arrested a young man by the name of George Huren, who is wanted in Grants Pass to answer to a charge of larceny. Constable Jas Holman, of Grants Pass, arrived last evening and returned today with young Huren. The young man, who is but 19 years of age, and is charged with the larceny of a gun, claims that the weapon belongs to his father, who resides in this city, and that he, at the request of his father, brought the gun from the place where he had been boarding in Grants Pass, and was not aware that the parties who had him arrested even claimed the firearm. This statement is vouched for by his father.

A Leap in the Dark.
Mrs. Esther Michener, a well-known woman of Pasadena, Cal., has gone to Ontario, Canada, where she is to become the bride of a mysterious man she has never seen. She has corresponded with him for years but his name is only known to her and members of the family, and they have nothing to say about him, except that he is worthy of the trusting woman, who, without looking upon his face, is willing to cross the continent to give herself to him. The romance is said to be an extraordinary one.

Afflicted with Sore Eyes for 33 Years
I have been afflicted with sore eyes for 33 years. Thirteen years ago I became totally blind and was blind for six years. My eyes were badly inflamed. One of my neighbors insisted upon my trying Chamberlain's Salve and gave me half a box of it. To my surprise it healed my eyes and my sight came back to me.—P. C. Earle, Cynthia, Ky. Chamberlain's Salve is for sale at Dr. Stone's drug store.

A Criminal Attack.
On an inoffensive citizen is frequently made in that apparently useless little tube called the "appendix." It is generally the result of protracted constipation, following liver torpor. Dr. King's New Life Pills regulate the liver, prevent appendicitis, and establish regular habits of the bowels; 25c at J. C. Perry's drug store.

KIDNEY TROUBLES

The kidneys are essential organs for keeping the body free from impurities. If they should fail to work death would ensue in very short time. Inflammation or irritation caused by some feminine derangement may spread to some extent to the Kidneys and affect them. The cause can be so far removed by using Lydia E. Pinkham's Vegetable Compound that the trouble will disappear. When a woman is troubled with pain or weight in loins, backache, swelling of the limbs or feet, swelling under the eyes, an uneasy, tired feeling in the region of the kidneys, she should lose no time in commencing treatment with

Albany is having a little "dry" at the expense of its druggists, some of whom were arrested a couple days ago for violating the local temperance law. Considerable feeling has been stirred up over the matter, and the matter will be thrashed out in court Monday. In the meantime, and afterwards, and then some, those who want a drink in Albany will manage some way to get

George A. Manning.
George A. Manning, a well-known and popular resident of Gervais, died at his home near the St. Louis Catholic church, in that place, on Wednesday afternoon at 4 p. m., after a long illness from dropsy and heart failure. He was born in Perry county, Missouri, and left that country in 1861 to come to Oregon, settling on a French prairie at the home on which he passed away. Here he has lived almost continuously ever since. He was a devout member of the Catholic church, and died strong in the faith. He leaves a large family and a devoted wife to mourn his loss. His family, all living, are

Casto Allowed \$85 Per Month.
Judge Galloway, in giving his judgment in the appealed case of F. P. Talkington, as the administrator of the estate of William Murray, deceased, vs. Ed. Herren and M. E. Becker, the sureties of the estate, yesterday afternoon allowed Samuel Casto, the well-known horse trainer, \$85 per month of the keeping and training of "Diablo," a horse belonging to the estate. Mr. Casto claims to have had possession of the horse for a period of seven months, which time will be ascertained and set by the court at a later date. The costs of the higher court and attorney fees, which were fixed by Judge Galloway at \$60, have been assessed to the defendant. The costs of the lower court will be ascertained and fixed by the probate tribunal.

In this case Mr. Casto was given charge of "Diablo," a horse valued at \$5000. In settling the estate his claim was allowed by the administrator, but was rejected in probate, and the decision of Judge Galloway on the appeal reversed the judgment of the lower court. The defendants, through their legal representative, Attorney Bayne, have given notice of appeal.
