A New Back for an Old One—How It Is Done in Salem.

The back aches at times with a dull, indigestible feeling, making you weary and restless; piercing pains shoot across the region of the kidneys, and again the loins are so lame to stoop is agony. No use to rub or apply a plaster to the back in this condition. You cannot reach the cause. Exchange the bad back for a new and stronger one. Follow the example of this Salem citizen.

Doan's Kidney Pills at Stones drug store and a few doses have eradicated the trouble. I am a firm believer in this remedy and know of several other people who have used it with good results. I am only too pleased to recommend Doan's Kidney Pills whenever the opportunity occurs.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

His Dear Old Mother.

"My dear old mother, who is now 83 years old, thrives on Electric Bitters," writes W. B. Brunson, of Dublin, Ga. "She has taken them for about two years and enjoys an excellent appetite, feels strong and sleeps well." That's the way Electric Bitters affect the aged, and the same happy results follow in all cases of female weakness and general debility. Weak, puny children too, are greatly strengthened by them. Guaranteed also for stomach, liver and kidney troubles, by J. C. Perry, druggist, 50c.

JAPAN HAS RACE PROBLEM

It seems that Japan has been having a little race problem of her own. The details are sparingly given by a native press that courts consistency. From the sparse news accounts and the editorial comments of some of the Tokio papers, it appears that the importation of Chinese laborers to work on a new railroad line in Kagoshima province has helped to show the Japanese where the shoe pinches in San Francisco.

Early in July the contractor to whom the construction work on the railroad had been awarded imported 30 Chinese laborers. The wages he paid were 10 yen a month—about \$5 gold—and that was 50 per cent cheaper than the hire of Japanese laborers. Still the Chinese were satisfied and they were good workmen.

So pleased was the Japanese contractor with his experiment that he sent to China for 100 more, and before these coolies had landed at Nagasaki a third consignment of 800 was contracted for with Chinese emigration companies in Chefoo.

The Mainichi Dempo naively states that the Japanese laborers took great alarm at the importation of the Chinese coolies, who were willing to work for half of what a Japanese laborer demanded. Mass meetings were held by the citizens of Kagoshima-ken "to consider this grave peril to the laborers of Japan," as the Mainichi puts it.

But the sentiment of the outraged laborers of Kagoshima-ken did not stop at mass meetings. One night in the latter part of July they posted a notice written in Chinese on the doors of the Chinese laborers' huts that if they didn't stop working in Japanese men's places they would be driven back to China.

The local police officials took alarm at the indignation of the citizens of Kagoshima-ken and sought advice from the central government at Tokio. Tokio, realizing the possibility of embarrassment in any overt act against the Chinese, ordered the police of Kagoshima-ken to use their utmost powers to protect the foreigners in case of an outbreak and then summoned the enterprising contractor to a conference in Tokio.

It happens that an imperial ordinance, No. 352, which was promulgated in 1898, forbids the employment of foreign labor in Japan under limited conditions, which restrict such employment only to the old treaty ports where foreigners congregate. The latest papers from Japan have it that the contractor has either unconsciously disobeyed this law or that he intends to force a test case.—New York Sun.

Thousands Have Kidney Trouble and Never Suspect It.

Prevalence of Kidney Disease. Most people do not realize the alarming increase and remarkable prevalence of kidney disease. While kidney disorders are the most common diseases that prevail, they are almost the last recognized by patient and physicians, who content themselves with doctoring the effects, while the original disease undermines the system.

What To Do. There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.
