**GAMBELL GAS STOCK GOING**

Enough Sold to Guarantee Erection of the Factory to Put the Automatic Burners On the Market

Stock in the Campbell Automatic Gas Fixture Co., represented in this city by Special Agent Wm. Davidson and A. L. Fraser, the plumber, is being sold to the most prominent business men of this city. Mr. Davidson was informed by Mr. Campbell this morning over the 'phone that the establishment of the manufacturing plant was now assured, as nearly all of the 20,000 shares were taken. It is endorsed by the most prominent business people of Oregon. Mr. Davidson was seen by a Journal reporter this morning as to the outlook for the company, and expressed himself as perfectly confident of making the enterprise a great success. He said: "Anyone wishing to secure stock that will pay them well and insure the establishment of another profitable manufacturing industry in Oregon had better see me at once at the Fraser plumbing shop, or at Hotel Willamette. It will not cost one cent to investigate and satisfy yourself as to the magnitude of the invention. I intend to leave Salem Tuesday morning. Orders for stock are coming in from all parts of the state and United States. Sales at the home office are very heavy, and this is the chance of a lifetime to get in on the ground floor of one of the greatest money inventions ever originated. An investment for \$5 or \$5000. At Hotel Willamette after 6 o'clock in the evening.

"The undersigned have thoroughly investigated the above company and the invention upon its merits, and we have purchased stock, and are satisfied that the proposition is all that it is represented to be."  
 "HOFER BROTHERS."

**WHO PAYS**  
 for the advertising in magazines, newspapers and in circulars and pamphlets distributed by manufacturers?  
**The Consumer**  
 It costs the manufacturer on an average of 50c per pair to advertise shoes. We buy shoes direct from factories, under our own name, and save you the amount it takes to advertise them.  
 Isn't this reasonable?

Last night about 30 people gathered on the stage of the Klinger Grand theatre after the performance in honor of Daisy Rosell and Gene Whiting. The two were entertained by the friends they have made since their engagement at the theatre. Singing and dancing, with lots of goodies to eat, made an enjoyable evening. At the first show Daisy and Gene both received bouquets of beautiful flowers. The Rosells, Daisy and Arthur, as a team, have made many friends, and Arthur as a comedian, and buck and wing dancer, did clever work. The Rosells close Sunday night, after a three weeks' engagement, and little baby Wanda will be missed very much. The Whittings will still be with us.
