

Old Coughs

Old coughs, desperate coughs, rasping coughs, extremely perilous coughs, coughs that shake the whole body. It takes a strong medicine, a doctor's medicine, to master such coughs. A great many people rely on Ayer's Cherry Pectoral.

Keep in close touch with your family doctor. No medicine was ever made that could take its place. Trust him at all times.

TO PLAY "CHECKERS" TONIGHT

Popular Play With Strong Cost to Entertain Salemites

At the Grand opera house tonight

pulled up in his giddy career by meeting with Pert Barlow, daughter of the croesus of Clarksville, Ark. Pert misunderstands Checkers at first, because she suspects him of being the cause of the sowing of a large crop of wild oats by one Arthur Kendall, the Beau Brummel of her native town. Subsequently, when Checkers assists in dragging the convival Arthur from ruin, Pert sees the good stuff in the young man and enters upon a scheme of salvation for him. Pert's father has some side lights on the scheme of salvation which inspired him to interference. Checkers reverts to the race track, after being practically driven from Clarksville. Pert meets him at the Derby in Chicago, just as he has won \$5000 on a long shot, and though to win it he bet a \$50 gold piece which she gave him as a keepsake, she promptly forgives him when she learned that he did it for her sake.

Stephanie Longfellow, as "Pert," in "Checkers."

There will be produced the sensation-ally successful play "Checkers," a dramatization of the book of the same name by Henry M. Blossom, Jr. The story is that of a sporty youth who dallies with the race tracks until he loses his heritage and becomes a follower of games of chance for a livelihood. In the play Checkers is

Checkers subsequently by an ardent trick and the use of his \$5000 saves Pert's father from ruin and wins his gratitude, thereby paving the way for a smooth path for love's, young dream. Hans Roberts plays the title role of Checkers and has made an unquestioned hit, not only in New York

where it has played sixteen engagements in the past three seasons and will play another this season, but in every other city in which he has been seen. The company otherwise is the original one and is described as being thoroughly competent. The size of the production may be appreciated from the fact that nearly 100 people are required on the stage at the same time. The engagement at the Grand will be with substantially the complete cast and scenery used during its engagements in the eastern cities.

It is very evident that the race started to talk long before it started to think.

His Dear Old Mother.

"My dear old mother, who is now 82 years old, thrives on Electric Bitters," writes W. B. Brunson, of Dublin, Ga. "She has taken them for about two years and enjoys an excellent appetite, feels strong and sleeps well." That's the way Electric Bitters affect the aged, and the same happy results follow in all cases of female weakness and general debility. Weak, puny children too, are greatly strengthened by them. Guaranteed also for stomach, liver and kidney troubles, by J. C. Perry, druggist, 50c.

It is hard when on board ship to persuade your friends that you are having a good time when the tumultuous sea is having fun with you.

The old remedies are the best. Hickory Bark Cough Remedy has been in use for over one hundred years by the old Dutch Duskards of Pennsylvania, and is still in use by all the old families of western Pennsylvania. Is absolutely pure; made from the bark of the white or shell bark hickory tree. The bark is shipped from the east, and manufactured in Salem, Oregon. For sale by all dealers everywhere.

Walking is healthful exercise, but if a policeman is in pursuit, running is much more so.
