

## SHOT THE WRONG BOARDER

(United Press Leased Wire.)  
Webb City, Mo., Nov. 18.—"I killed the wrong man," Henry Lacey, a foreman of the American Beauty mine, told the coroner's jury that held him for slaying W. W. Parker, a young miner, who boarded with Mrs. Lacey. "I thought I was shooting at another man, and I intended to kill both him and my wife."  
Parker was killed at Lacey's home Friday night. About dusk Lacey, who is suffering from tuberculosis, passed a miner smoking at his gate. "I am going over to the house and raise a little smoke," he said. Then he opened a front door and fired a revolver. Parker fell dead. Immediately Lacey told the neighbors that he had killed the wrong man. When later he was told that he had slain Parker, he broke down and wept.  
"I wouldn't care what they would do with me if I had killed the right man," he said.

## ROBBERS ATTACK THE CARS

(United Press Leased Wire.)  
Santa Barbara, Cal., Nov. 18.—Southbound freight train No. 244 on the Southern Pacific arrived here yesterday afternoon and reports the breaking into by robbers of one of the box cars of the train somewhere between San Luis Obispo and Guadalupe. When the train reached here Constable Storni arrested six men in another car which was loaded with prunes. The prisoners proved to be linemen out of work, and were turned loose. The contents of the robbed car were ransacked and a large quantity of Bibles and automobile gloves and other property was stolen. Railroad detectives all along the line are working on the case. The Southern Pacific only recently ended the operations of a gang of train thieves, some of whom proved to be train men.

## STREET CAR STRIKERS HURTING CORPORATION.

Bay City Company Will Suffer a Loss of Over a Million Dollars in One Year.

(United Press Leased Wire.)  
San Francisco, Nov. 18.—President Patrick Calhoun, of the United Railroads, has made a report to the stockholders about the gross earnings of the company for last August. It states gross receipts were \$317,769, as compared with \$429,311 for August, 1906, or a decrease of \$111,542.

This is the second monthly report made public since the strike of May 5, last, was declared.

The first report was for June, when the gross receipts were \$152,126, as compared with \$448,455 for June, 1906, or a decrease of \$296,329.

The latter decrease was due to the existence of the strike of the car men. The same cause is assigned for the August decrease. During both months thousands of union people refused to ride on the cars.

It is estimated that the strike of the car men and inadequate service have caused the company a loss of over \$1,200,000 in passenger receipts.

## Biliousness and Constipation.

For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I should have been today had I not tried Chamberlain's Stomach and Liver Tablets. The tablets relieve the ill feeling at once, strengthen the digestive functions, helping the system to do its work naturally.—Mrs. Rosa Potts, Birmingham, Ala. These tablets are for sale at Dr. Stone's drug store.
