REVIEW OF NATIONAL POLITICAL SITUATION.

Though generally looked upon in the light of an "off year" in politics, the recent elections have possessed more far-reaching importance as bearing upon the future than has appeared on the surface.

In the first place, the outcome of the voting in New York city has demonstrated beyond all shadow of a doubt that Charles F. Murphy IS IN COMPLETE CONTROL OF THE DEMOCRATIC FORCES, and that in all probability he will be able to control, not only the delegates to the next state convention, BUT ALSO THOSE TO THE NATIONAL CONVENTION.

The results have likewise demonstrated that Hearst has been entirely eliminated as a factor in state and national politics.

It has been patent to the leader of Tammany hall and his followers that the organization was doomed to completely lose its grip on the political situation, in this state and the country at large if the Hearst party were allowed to go on as it had been, and therefore all their efforts were bent to THE OVERTHROW OF THIS FORMIDABLE FOE.

Realizing that in the event of success the Independence league would supplant the regular Democracy in its position of second place on the official ballot, the managers of the wigwam left no stone unturned to forestall any such possibility and instead of his party becoming the real Democratic party in the Empire state, MR. HEARST HAS BEEN RELEGATED TO A POSITION WHERE HE NO LONGER WILL BE RECKONED WITH AS A PRIME FACTOR IN NEW YORK POLITICS.

This victory has indeed been a big one for Murphy, and its effect upon the future destinies of the old-time Democratic party in the state and nation will be watched with a great deal of interest.

One of the most interesting announcements that has been made in quite some time is that within the next few days President Roosevelt will be informed in no uncertain way that Secretary of War Taft CANNOT HAVE THE NEW YORK DELEGATION TO THE REPUBLICAN NATIONAL CONVENTION.

Timothy L. Woodruff, chairman of the Republican state committee, James W. Wadsworth, speaker of the last assembly, William Barnes, Jr., member of the Republican state committee and Herbert Parsons, president of the New York county Republican committee, all of whom are thoroughly informed on the situation, will visit the President and convey this information to him.

Whether or not the President will take heed of the hint from the New York Republican leaders remains to be seen, but it is presumed that HE WILL NOT INSIST UPON FORCING MR. TAFT UPON THE MEN FROM THE EMPIRE STATE.

It is equally certain that the President will not favor the candidacy of Governor Hughes, chiefly for the reason, no doubt, that the latter is popularly supposed to represent the corporate interests against which Mr. Roosevelt has been waging such a bitter warfare.

With Mr. Taft evidently out of the race in so far as the New York leaders are concerned and with the administration opposed to Governor Hughes, it goes without saying that in the face of his own personal opposition, THE PRESIDENT WILL BE COMPELLED TO ACCEPT THE NOMINATION FOR THE PRESIDENCY, although there are many who believe that he may have some sort of a plan whereby at the eleventh hour he may succeed in inducing the Republican party to accept George B. Cortelyou.

If one man more than another has loomed up as strong presidential timber during the recent elections that man is Tom L. Johnson of Cleveland.

The fact that Johnson was able to defeat Theodore E. Burton for mayor of Cleveland in the face of determined opposition ON THE PART OF ALL THE BIG CORPORATIONS OF THAT CITY, as well as in view of the fact that Burton was known to have the active support of President Roosevelt, speaks volumes for his political strength, and it is now asserted that in the event of his selection by the Democrats as their candidate for the presidency, JOHNSON WOULD NOT ONLY BE SURE TO CARRY OHIO, but would make a decidedly good run in other states, especially if we are to have hard times throughout the east, which now appears to be almost inevitable.

The St. Louis Democratic club has already endorsed Johnson for the presidency.

THIS CLUB WAS ENTHUSIASTICALLY FOR BRYAN IN HIS PRESIDENTIAL RACE.

Its action may be expected to be followed by others throughout the country, so that by the time the convention has assembled it is quite possible there will be no more popular candidate in the field.

With the showing made in Cleveland by Johnson AGAINST THE PRESIDENTIAL CANDIDATE T. E. BURTON, the friends of, Lieut. Gov. William Astor Chanler who have been earnestly booming him for the presidency have now completely disappeared.

In fact the Chanler boom was only the work of a few "would be" politicians who knowing that Chanler has an unlimited bank roll saw the opportunity for helping him to spend it.

Jonathan Bourne may have been rebuked by President Roosevelt for his "\$1000 prize offer for the best third term argument," but if Bourne's shoulders have felt the weight of presidential anger, THEY HAVE NOT DEFERRED THE SENATOR FROM OREGON FROM STILL

predicting that Roosevelt would be the Republican candidate next year.

He has recently made the following statement: "President Roosevelt will be the Republican candidate for President and W. J. Bryan the Democratic candidate."

"Recent events in my opinion DEMONSTRATE THE UNAVAILABILITY OF ALL OTHER REPUBLICAN CANDIDATES now in the field, making certain Roosevelt's selection by the convention.

"The people propose to control the nominations of both parties. "No one blames Roosevelt for the financial troubles EXCEPT THE WALL STREET MANIPULATORS."

An authorized agent for Bryan has made the statement that Bryan made his announcement in regard to the nomination because it had been said that BRYAN WOULD NOT ENTER THE LIST IF ROOSEVELT WAS A CANDIDATE.

He wished to make plain he did not fear to run against Roosevelt next year.

SMILES

The conservative banker is not in any particular hot water.

Eugene boat club has disbanded. A dry town.

The Dalles athletic club walked off the field at Eugene Saturday because of an unfair ruling.

Jonathan says Roosevelt sure.

Who mentioned hard times? Buildings going up paving and sidewalks going down.

One Salem widow is offered \$10,000 for a lot on a paved street. Another widow will not take \$15,000 for a lot on State street that is to be paved. Paving helps even widows.

Too much prosperity is a bad thing for some people. They can't stand it.

Go around to the board of trade and see the real red ripe raspberries in November.

E. J. Murphy is the only candidate for mayor of Pendleton. Murphy will be it.

As between Bryan and Roosevelt which is the better Democrat?

Not a good day for the sham Democracy. Exit Hearst and Chanler.

Better and permanent sidewalks is the slogan at The Dalles.

Farmer Has Two Wives.

David B. Parmenter an aged farmer residing about three miles from Walker station was arrested Tuesday afternoon by Deputy Sheriff C. C. Hammond, says Wednesday's issue of the Eugene Guard, on the charge of polygamy and was brought to Eugene last evening and placed in the county jail to await his examination before Justice of the Peace Bryson.

The fact that Parmenter had more than one wife was brought to light through the filing of a divorce suit against him on the sixth of the present month by Mrs. Sarah E. Parmenter wife No. 1, as mentioned by the Guard at the time. She alleged in her complaint that she left home in July, 1906, and went to Tacoma, where she has been staying with her daughter. On October 21 Parmenter was married in Eugene to Mrs. Louisa A. Bowen. Mrs. Parmenter No. 1 heard of the marriage and at once came to Eugene and began divorce proceedings. The first marriage occurred in Vermont, November 12, 1862.

Parmenter states that he did not know he was committing bigamy, or polygamy, thinking his first wife dead. He says that when she left for Tacoma the doctors said she could not live more than two weeks longer, and that shortly afterward he heard that she had died.

Mrs. Parmenter No. 1 and Mrs. Parmenter No. 2 have both been in Eugene since the beginning of the divorce proceedings. No. 2 not caring to live with the man after finding out that she was not his lawful wife.

Parmenter is between 60 and 70 years of age, and is an old soldier, belonging to the G. A. R. He is well-known among the local members of that order.

What Would You Do

If three good physicians should pronounce your case hopeless. If they should decide that you could not live longer than six weeks. And if you should get well, after using only \$12.00 worth of Dr. Miles' Heart Cure and Nervine, what would you advise a friend in like condition to do?

"I have to thank you for saving my wife's life two years ago. We had continued with the doctor until the third doctor, like the two previous ones, said that nothing could be done for her; that she had better be taken home from the hospital to quietly wait her time, which would not be over a week at the most. I brought her home, and then I thought probably Dr. Miles' Heart Cure and Nervine might help her, so I got a bottle of each and some Nerve and Liver Pills and commenced to give them to her. We soon seen an improvement, and encouraged by this we continued giving the medicine. We gave her eleven bottles in all of the medicine. She takes it occasionally now if she feels the need. I am in the ministry, and have been for 44 years."
