

GIRLS FORBIDDEN TO PLAY

of Willamette Says Basket-
is not a Game Suitable for
Co-ed.

recent meeting the faculty of
the University decided to for-
young ladies of the school to
game of basketball with any
other than those composed of
the University girls and that
the games should be played
by lady audience only. Manu-
facturing was notified to cancel
all games which had been
for this season and that
the games of basketball for
the school would be
suspended.

eds are indignant over the
of the faculty and say if the
not allowed to play as a
aggregation they will form
team and continue the pro-
cedure.
Some steps were taken last sea-
son the faculty to prevent the
of the school from playing
but either by the deter-
of the girls to enjoy the
of the game or by their
persuasion the school man-
aged. The result of this
decision is watched with in-
terest.

A Voice From The Stomach

A Bloodless Fight Between a Tablet
and a Habit—The Tablet Wins.

At the age of 22, Clarence had
good digestion. He had gastric juice
that could dissolve doughnuts and
turn appleskins into good blood cor-
puscles.

At the age of 24 he began to be
profuse about the waist and lean
backwards. He also began to culti-
vate several chins. In his new-found
pride he began to think it his duty
to gorge himself on everything, the
good and the bad, for appetite feeds
on appetite—and every good thing is
abused.

His pictures showed that he took
on weight after he put his collar on.

At the age of 26 Clarence married
and went to boarding. On top of
all this, he attended oyster suppers
and wine dinners, which reduced the
size of his collar from 16½ to 15.
With still abiding faith in the
strength of his stomach he gulped
his meals, and chewed them after-
wards.

At the age of 28 Clarence began
to hear an inward voice—a warning
from the stomach. After each meal,
he would feel bloated—and belching
became a habit.

He began to be a light eater—and
a heavy thinker. He tried to think
out a cure, for now he would sit
down at his meals absolutely dis-
gusted at the thought or sight of
anything to eat.

He would sit down at his meals
without the trace of an appetite, just
because it was time to eat.

He would often feel a gnawing,
unsatisfied "still hungry" feeling in
his stomach, even after he was
through eating, whether his meal
was well cooked or not.

And he suffered a good many other
things with the stomach that he
could not explain, but that made him
grouchy, miserable, out-o'-sorts and
generally sour on everybody and ev-
erything.

Finally he read an account, some-
thing like this, about the truly won-
derful results obtained from Stuart's
Dyspepsia Tablets in all cases of
stomach trouble, dyspepsia, and so
on. He bought a 50c box at the drug
store, and took the whole box. When
he started, he had little faith—and
less appetite. When he finished he
had absolute faith—and more appeti-
te, and more good cheer. Things
began to taste different and better
to him.

Now he has no more dyspepsia, no
more indigestion, no more loss of
appetite, no more nausea, burning
sensation, heartburn, nausea, eructa-
tions, bad memory, or loss of vim
and vigor.

Remember, one ingredient of
Stuart's Dyspepsia Tablets will di-
gest for you 3000 grains of food,
just as it did for Clarence.

This relieves your stomach of the
work of digesting until your stomach
can get strong and healthy again.
Your stomach has been overworked
and abused. It's fagged out. It
needs a rest.

Let Stuart's Dyspepsia Tablets do
the work of your stomach. You will
be surprised how fine you'll feel after
eating, and how deliciously good ev-
erything will taste to you.

Heed the call of the stomach now!
There's a world of good cheer in one
box of Stuart's Dyspepsia Tablets,—
at any drug store, 50c.

Send us your name and address
today and we will at once send you
by mail a sample package free. Ad-
