RHEUMATISM

More Proof That Dr. Williams' Pink Pills Will Cure It.

Mr. Myron Adams is a resident of Bad Axe, Mich., where he is known as a man of his word.

He was cured of a severe attack of rheumatism by Dr. Williams' Pink Pills and his gratitude prompts him to make the following statement for the benefit of those who still suffer: "After working for a long time in the lumber camps, going through exposure to dampness and suffering from colds," he says, "I had an attack of rheumatism, that lasted two years. It affected my arms and shoulders and quick, sharp pains ran all through my left side. My arms, principally the elbows, were sore to the touch. My back was lame and the kidneys affected. I could not lie down to sleep, because the pain would then be too severe, but had to be bolstered up in a chair. I had no appetite, could do hardly any work, and began to think life wasn't worth living."

"I had different doctors who helped me for a time, but the trouble always came back. I read about Dr. Williams' Pink Pills in a paper and chancing to talk to a neighbor about them, found he had been cured of rheumatism by the pills. I immediately bought some and could see after taking a few boxes that they were helping me. I took them a while longer and haven't had a touch of the trouble since. I cannot tell how much I value Pink Pills."

The fact that Dr. Williams' Pink Pills will cure rheumatism is so well established that it is difficult to understand how any sufferer can afford to neglect the remedy. These pills are absolutely safe and harmless. The make new blood, strengthen the nerves and cure rheumatism in the only way that it can be cured to stay cured.

Dr. Williams' Pink Pills are sold by all druggists, or will be sent, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50, by the Dr. Williams' Medicine Company, Schenectady, N. Y.
