

Old Coughs

Close touch with your family doctor. Medicine was ever made that could take the place of a doctor's medicine. Trust him at all times.

Old coughs, desperate coughs, rasping coughs, extremely perilous coughs, coughs that shake the whole body. It takes a strong medicine, a doctor's medicine, to master such coughs. A great many people rely on Ayer's Cherry Pectoral.

NEBRASKA TEAM MAY COME

Pullman Coach Endeavoring to Get Game with Bryan's Followers on Christmas Day.

The University of Nebraska vs. Washington state college in Spokane on Christmas day.

That is the card being made out by Jonnie Bender, coach of the great Pullman team, says the Spokane Chronicle.

"The people of Spokane have not seen a good college game this year," said Coach Bender today, over the long distance phone. "We want to give them one, and are now making arrangements to bring Nebraska here for that purpose. They have a great team there, and we should be able to make them play."—East Oregonian

Miss Sarah Truax, in "The Spider's Web."

friend. She has loved and respected her mother above all other persons on earth and now finds herself called upon to judge by the standard she has set up for herself as the one by which all women's virtue should be measured.

What would you do if you were placed in her position? That is the question which the dramatist in a masterly manner works out before you, for the course of Claudia after she knows the truth is one that few women, or men, would condemn.

The return of the man who has deceived the mother as a savior for the daughter's hand complicates the situation and accounts for the intensely dramatic scenes which have made the play so successful wherever it has been presented. The author has given the play a happy ending and has brought it about under the most novel circumstances seen on any stage in recent years.

In the leading role Miss Truax has scored the greatest triumph of her career. She is called upon to portray every shade of feeling from light comedy to intense emotion and handles each scene with a skill that has fixed her place as one of the leading American actresses of the day. Heretofore Miss Truax has been associated in the minds of theater-goers with emotional roles entirely and the remarkable versatility she is displaying this season is proving a delightful surprise to her friends. She has been surrounded with a cast of exceptional ability and her manager, John Cort, has given her a production such as is rarely seen outside the big theatrical centers. Max Fisman, who has no superior in America as a stage manager, directed the rehearsals of the piece.

The Lunch Counter.

Is the Cause of Dyspepsia and Indigestion, Catarrh of the Stomach and Heart Disease.

Nine-Tenths of Those Who Eat There Bolt Down Their Food.

The next time you eat at a lunch counter just you watch the people opposite. Look down the whole line and notice how they bolt down their food, washing it down with hot coffee or cold water. First they take a large bite then they drink, a bite and a drink hurrying through their meal in five or ten minutes.

Many of them don't know the correct way to eat while others are so intent on money-making that they will not take the time to eat properly.

The lunch counters create a great demand for Stuart's Dyspepsia Tablets, for every one now knows that they assist the stomach in digesting the food that has been suddenly forced down into it.

Health should be the first thing sought for in the battle of life.

With a sound body all things are possible to man, while ill-health handicaps him.

The dyspeptic is usually grouchy and cannot meet his fellow-man in the proper spirit to win his confidence and esteem. Many a fine proposition has failed because a dyspeptic was back of it.

Your brain does not work right where dyspeptic conditions prevail neither does any organ of the body.

Get your digestive apparatus in perfect condition first and all will go well with you.

Take Stuart's Dyspepsia Tablets until you cure yourself of indigestion, catarrh of the stomach and dyspepsia, and your heart, liver, brain and all the organs of the body will perform their functions properly and you will be in sound health.

Don't give up in despair, but get right and all things will come your way and fortune will again smile upon you.

You can purchase Stuart's Dyspepsia Tablets anywhere on earth. They have become a family necessity everywhere.

They are 50 cents per package.

Send us your name and address today and we will at once send you by mail a sample package free. Address F. A. Stuart Co., 150 Stuart Bldg., Marshall, Mich.

What has the meeting of the Oregon Dairymen's Association at Portland, to be held December 12 and 13, to do with this? Everything for that is the amount of cash produced last year by the Oregon dairy interests. That means over half a million dollars to each county, and is one of the greatest factors in our prosperity of Western Oregon. This will be one of the largest dairy meetings ever held on our coast, and do much to promote the industry. There will be a corps of the ablest speakers in our country on the various phases of the dairy business. They will discuss the practical things that every dairymen ought to know. If you only keep one cow it will interest you to know what is said and done at the sessions of this convention. These are the kind of meetings that enrich the people, not only in dollars and cents, but in wisdom and culture for the whole family. The Southern Pacific Company will sell tickets on certificate plan for this occasion.
