PETTIBONE JURY COMPLETE.

Prosecution Will Begin Taking Testimony Monday Morning.

(United Press Leased Wire.)

Boise, Idaho, Dec. 7.—With the completion of the jury in the Pettibone case late yesterday afternoon, the attorneys for the state began arranging for the introduction of testimony Monday afternoon. The morning session will be devoted to the opening statement by James H. Hawley, chief prosecutor.

The average of the Pettibone jury is 20 years younger than that which tried and acquitted Haywood, and the state seems especially pleased that the young business men and tradesmen of Boise comprise a greater portion of the jury. The friends of the defense are gratified that union labor is represented in the person of A. C. Boot, a member of the typographical union for 30 years.

The Importance of Regular Habits

The welfare of the body depends upon how regularly the stomach, liver, kidneys and bowels perform their respective duties. Carelessness or delay in attending to Nature's demands, brings on disorders which, sooner or later, have a bad effect on the general health.

Do not fail to give instant attention to the calls of Nature. Neglect invites disease. Beecham's Pills are the old and reliable safeguard of health and can always be depended upon.

How Diphtheria Is Contracted.

One often hears the expression, "My child caught a severe cold which developed into diphtheria," when the truth was that the cold had simply left the little one particularly susceptible to the wandering diphtheria germ. When Chamberlain's Cough Remedy is given it quickly cures the cold and lessens the danger of diphtheria or any other germ disease being contracted. For sale at Dr. Stone's drug store.
