## LETTER FROM A LINN COUNTY GRANGER

Albany, Or., Dec. 7, 1907.  
Dear Citizens,  
I, of the  
Linn County Grange, at its ses-  
sion at Tangent, passed a res-  
olution, which recited that  
the governor of Oregon vetoed  
bill number 37 which appro-  
priated \$125,000 annually and con-  
ferred upon the University of Ore-  
gon, and that the legislature passed  
a bill over the governor's veto  
and as is believed to the wish  
of the very large majority of the peo-  
ple of Oregon, and calling upon the  
voters of the state of Oregon  
to sustain the governor's veto at the  
next general election, to be held  
on June, 1908.

The preamble embraces the gov-  
ernor's veto message, the concluding  
of which are: "I recognize  
the growth of this institution, and  
believe along educational lines,  
and of the opinion that there is  
justification for an increase of  
\$50 over the appropriation two  
years ago and I therefore return  
the same with my veto." Signed  
George E. Chamberlain.  
Following the above resolution  
was taken by a motion and a  
majority of two were provided for.  
The duty it shall be to look after  
the interests of the ballot a proper  
for the U. of O. referendum  
named, and to properly place  
measures before the people. The  
officers are: Eugene Palmer and  
H. Walker.

The granges were represented to-  
day at a splendid meeting; De-  
partment H. Scott organized a grange  
Wednesday in Fox valley, with  
fifteen charter members. Linn county  
has 13 granges.  
The next meeting is with Western  
grange, the first Saturday in  
January next, and there will be the  
annual election.  
This is my 69th birthday.  
Fraternally yours,  
CYRUS H. WALKER.

## HAND SERENADED THEM.

Mr. and Mrs. Fish and Mr. and Mrs. Clay  
last night at Hotel Willamette.  
Salem Military band last night  
serenaded Mr. and Mrs. Fred Fish  
and Mrs. H. E. Clay, who re-  
sided at the Willamette hotel, by  
making a selection in the corridor  
of their rooms. The members  
of the band stationed themselves at  
the foot of the stairs leading to the  
rooms in which were situated the  
rooms of the hosts and sent a mes-  
sage to inform them that they were  
being serenaded in the parlors below.  
As the band came down the stairs the band  
serenaded which ended in  
musicians being invited to the  
parlors where lunch and re-  
freshments were served. Several  
songs were then rendered by the  
band and a pleasant hour was spent.  
The band boys said they were a little  
tired but their music had not spoiled  
their good will grown cold. It  
was a pretty and enjoyable informal  
concert, appreciated by the serenaders  
as well as the serenaded.

### A Real Wonderland.

South Dakota, with its rich silver  
mines, bonanza farms, wide ranges  
of strange natural formations, is a  
real wonderland. At Mound  
in the home of Mrs. E. D. [Name]  
a wonderful case of healing  
recently occurred. Her son seemed  
to die with lung and throat  
trouble. "Exhausting coughing  
occurred every five minutes."  
Mrs. Clapp, "when I began  
using Dr. King's New Discovery,  
the great medicine, that saved his  
life and completely cured him.  
I suffered for coughs and colds,  
asthma and lung troubles, by J. C.

### Rapid Rotation of Turbines.

One of the great differences be-  
tween the reciprocating (piston)  
engine and the steam turbine about  
one hour so much nowadays  
the latter imparts to a revolu-  
tion a greater velocity than the  
piston does. For some classes of  
service this characteristic is a dis-  
advantage, and much ingenuity has  
been exercised in overcoming it.  
The rotational speed is undesirable  
in the propeller of a steamship, for  
the reason, and years of experiment  
were required to adopt the new type  
engine to marine work. In driv-  
ing a dynamo, on the other hand,  
it is extremely valuable. A num-  
ber of turbines are now being in-  
stalled in electric railway power  
houses in Europe today which makes  
one revolution a minute. The  
speed of the steamship Lusitania  
is 150 a minute, and some ex-  
tremes regard even that too high to  
be the most benefit from the steam.

# APPENDICITIS

### How to Avoid it and Escape a Sur- gical Operation, Told By One Who Knows.

A Simple Method That is Always ef-  
fective.

It has only been a few years since  
it was discovered that a surgical op-  
eration would cure appendicitis; in  
fact, it has been but a short time  
since the disease was discovered and  
named.

Whenever there is an inflamed  
condition of the appendix, caused by  
impacted faeces in the small cavity  
opening into the intestine, you then  
have appendicitis.

The older doctors used to call it  
inflammation of the bowels, and were  
puzzled to know the cause.

Even now, with all the knowledge  
we have of the disease, no medical  
man can tell you why we should have  
an appendix, why we find it, where  
it is, or what its functions, if it  
has any.

The disease for which the opera-  
tion is a cure is usually caused by  
indigestion, and in many cases fol-  
lows a large and indigestible meal.

Physicians have until recently re-  
commended an operation, but now,  
as it is known that it is caused by  
indigestion, or dyspepsia, a cure with-  
out an operation is assured.

Where the patient is treated with  
Stuart's Dyspepsia Tablets, the un-  
healthy conditions prevailing rapidly  
disappear, the stomach and in-  
testines are placed back in their nor-  
mal condition, every organ of the  
body operates as in should, and the  
inflammation is reduced and the opera-  
tion is avoided.

Conscientious physicians, who are  
looking after the best interests of  
their patients, will always keep a  
supply of Stuart's Dyspepsia Tablets  
handy in their office, where in cases  
of sudden attacks of indigestion  
they can relieve the patients at once.

There is no record of a case of ap-  
pendicitis where the stomach and  
bowels were in a healthy condition  
and properly digested the food from  
meal to meal.

No better advice can be given to  
any one who has attacks of indiges-  
tion, or who has been threatened  
with appendicitis, than to tell him to  
go to the drug store, pay 50 cents,  
and take home a package of Stuart's  
Dyspepsia Tablets.

Whenever heartburn, gas in stom-  
ach or bowels, heart disease or stom-  
ach troubles, sour eructations, acidity  
or fermentation are present, act at  
once. Take a dose of the Tablets  
and get relief as soon as possible.

At all druggists—50 cents.

Send us your name and address  
today and we will at once send you  
by mail a sample package free. Ad-  
dress F. A. Stuart Co., 150-Stuart  
Bldg., Marshall, Mich.

### Proposals Invited.

Proposals invited for supplies for  
the Oregon state penitentiary for the  
period ending June 30th, 1908.

Sealed bids for drugs, dry goods,  
groceries, butter, leather and find-  
ings, hardware, flour, meat and wood  
will be received in the office of the  
superintendent of the state peniten-  
tiary, until Monday, December 30th,  
at 2 o'clock p. m., at which time they  
will be opened.

A deposit of \$200 in cash or cer-  
tified check, payable to the super-  
intendent, must accompany each bid  
for meat and flour, and all other  
bids must be accompanied by an  
amount equal to 10 per cent of the  
amount of the bid.

Samples to accompany all bids,  
where practicable. The right is re-  
served to reject any and all bids  
and to accept or reject any portion  
of a bid. On each envelope should  
be inscribed the nature of the bid.  
Goods of Oregon manufacture or pro-  
duction will receive preference,  
other things being equal.

All goods and supplies must be de-  
livered to the penitentiary within  
twenty days after the contract is  
awarded.

Wood required is 400 cords of  
first growth and 800 cords of second  
growth fir wood for delivery be-  
tween the first day of May and the  
first day of October, 1908.

Schedules of the various lines of  
goods to be bid on will be furnished  
upon the application to the superin-  
tendent.

Vouchers will be issued for pay-  
ment on the first of the month fol-  
lowing the completion of the con-  
tract, and monthly on continuous  
contract.

#### WOMEN'S WOES.

### Salem Women Are Finding Relief at Last.

It does seem that women have  
more than a fair share of the aches  
and pains that afflict humanity; they  
must "keep up," must attend to du-  
ties in spite of constantly aching  
backs, or headaches, dizzy spells,  
bearing-down pains; they must stoop  
over, when to stoop means torture.  
They must walk and bend and work  
with racking pains and many aches  
from kidney trouble. Kidneys cause more  
suffering than any other organ of the  
body. Keep the kidneys well and  
health is easily maintained. Read  
of a remedy for kidneys only that  
helps and cures the kidneys and is  
endorsed by people you know.  
Mrs. Mary Baumgardner, of 424  
Water St., Salem, Or., says: "I have  
found Doan's Kidney Pills a remedy  
that is worthy of all confidence and  
I am pleased to endorse them so that  
other sufferers from kidney com-  
plaint may know how to get relief.  
I procured Doan's Kidney Pills at  
Dr. Stone's drug store and several  
members of our family have used  
them with gratifying results. I took  
them myself for a tired (aching back  
and a dragging down feeling that  
comes from irregular and deranged  
kidneys. The results were of the  
best. The aching and soreness was  
banished and the kidneys were re-  
stored normal. My health has become  
better in every way."  
For sale by all dealers. Price 50  
cents. Foster-Milburn Co., Buffalo,  
New York, sole agents for the United  
States.  
Remember the name—Doan's—  
and take no other.

Cheerful.  
I'll not to thee  
My woes rehearse,  
Whate'er they be,  
They might be worse.
