SALEM STATE BANK

Capital Surplus and Profits

Transacts a General Banking Business

MPLE Resources, Courteous Treatment, Absolute Safety, and a desire to extend our business and serve this community faithfully and intelligently warrant us in soliciting your business.

We want the business of young men, of business men, and especially do we want the accounts of the farmers of Marion and Polk counties.

To no one is a bank account more of a protection or convenience than the farmer. Our dealings will always be as liberal as safe banking will permit. A bank is not a luxury for the rich man that idea is fast disappearing. The people from all classes are beginning to recognize the importance of a bank connection.

How Is It With You!

We trust that the HOME-SEEKER, the stranger within our gates, will make free to command our services at all times. He is assured of a cordial welcome.
