

Hard Coughs

We publish the complete formulas of all our medicines. We are proud of them. We have nothing to conceal; no secrets to hide.

If your doctor fully endorses your taking Ayer's Cherry Pectoral for your hard cough, then buy it and use it. If he does not, then do not take a single dose of it. He knows all about this splendid medicine for coughs and colds. J. C. Ayer & Co., Lowell, Mass.

Condemned His Own Coat.
Periodically there are held in the New York fire department inspections of uniforms of the men. This is usually conducted by a deputy chief or by a battalion chief acting in his place. The men in a given battalion are ordered to assemble at a certain engine house, and the chief calls and makes the inspection. There is a man referred to in the book known as "Fire-Fighters and Their Pets," a recent Harper holiday book, who had a very remarkable experience at one of these inspections some years ago. The story is a good one, and illustrates the firemen's quickness of wit. The inspecting officer on that morning was a man who was afterwards temporarily in charge of the bureau of chief of department. The fireman did not know that the rubber coats were to be inspected on that morning and did not have his with him. When he discovered his error, he hastily dashed out, took the chief's rubber coat out of the back of his wagon, quickly put it on, and hurried back into the inspection line. The chief went along with his work examining the uniforms and coats, and when he came to this particular man he made a rapid examination of his rubber coat, not knowing that it was his own coat. He promptly condemned it, and ordered the man to buy another at once. To the author of "Fire-Fighters and Their Pets," who is the present secretary of the fire department, Albert M. Downes, this fireman said: "I had to run nearly a whole block before I could get that rubber coat into the deputy chief's wagon again. It was a hard job, but I got away with it."

Do People Turn Away?

You Can Be Instantly Freed From the Humiliation of Knowing that Others Detect Bad Odors on Your Breath, Arising From Indigestion, Smoking, Drinking and Eating.

Trial Package to Prove It Sent Free.
Breath perfumes do not strike at the root of the evil. They only conceal the odor for a time. But charcoal kills the gas that causes the odor, purifies the food lying in your stomach and intestines, facilitates the process of digestion, acts as a mild laxative, gives tone to the system; in short, gives you a clean bill of health. And all the charcoal necessary to obtain these results you get in a box of Stuart's Charcoal Lozenges, price 25c.
The uses of charcoal are many. Heart and electricity it is constantly used, but it is especially valuable where purity of product is required. An absorbent and disinfectant it is no equal. That is why you will invariably find it in every water-treatment.

Stuart's Charcoal Lozenges are made from pure willow charcoal, with a slight mixture of honey to render them palatable. They will purify your blood for you, destroy every particle of poison and impurity, absorb all the gas in your stomach, give you a sweet, clean breath, and relieve you from the awkward feeling you are bound to have when you meet by the expression of other people that they smell your bad breath. Any who are fond of onions avoid eating them because of the odor they leave. One of Stuart's Charcoal Lozenges immediately kills this, however. The same applies to smoking, talking or chewing.
We are so convinced that you will find these lozenges indispensable after using them, that we will send you a sample package by mail, free. You will send your name and address today to F. A. Stuart Co., 209 East Bldg., Marshall, Mich.

Time Enough Then.
"Gamma—You've been a very naughty child! And only last night prayed to be made an angel.
"Bobby—Aw, but I do want to be one after I'm dead.—Cleveland Leader."

Early to Bed.
Early to rise, makes one healthy. Early to bed, makes one wise—especially if you use Herbine before retiring. A positive cure for constipation, dyspepsia and all liver complaints. Mrs. Columbia, Tenn., writes: "I always keep a supply of your Herbine on hand. Am so pleased with the results it gives in constipation and all other complaints, that words can't express my appreciation." Sold by all druggists.

Must Have Seen Reflection.
A man carrying a looking glass said to a newsboy: "Come here and look into this glass and you will see a donkey."
"How did you find that out?"—Catholic Standard and Times.

A Real Wonderland.
South Dakota, with its rich silver mines, bonanza farms, wide ranges and strange natural formations, is a veritable wonderland. At Mound City, in the home of Mrs. E. D. Clapp, a wonderful case of healing has lately occurred. Her son seemed near death with lung and throat trouble. "Exhausting coughing spells occurred every five minutes," writes Mrs. Clapp, "when I began giving Dr. King's New Discovery, the great medicine, that saved his life and completely cured him. Guaranteed for coughs and colds, throat and lung troubles, by J. C. Perry druggist. 50c and \$1.00 trial bottle free.

Job's Comforter.
"Cheer up, dear," said the poet's wife; "there are flowers beneath the snow."
"Yes," he sighed, "but nobody will lend me a shovel to shovel 'em out."—Atlanta Constitution.

Badly Mixed Up.
Abraham Brown, of Winterton, N. Y., had a very remarkable experience; he says: "Doctors got badly mixed up over me; one said heart disease; two said it kidney trouble; the fourth said blood poison and the fifth stomach and liver trouble; but none of them helped me; so my wife advised trying Electric Bitters, which are restoring me to perfect health. One bottle did me more good than all the five doctors prescribed." Guaranteed to cure blood poison, weakness and all stomach, liver and kidney complaint, by J. C. Perry druggist, 50c.

The Best Policy.
Father (to son, who is going to enter a bank)—Above all, be honest—especially at first!—Transatlantic Tales.

When to Go Home.
From the Bluffton, Ind., Banner: "When tired out, go home. When you want consolation, go home. When you want fun, go home. When you want to show others that you have reformed, go home and let your family get acquainted with the fact. When you want to show yourself at your best go home and do the act there. When you feel like being extra liberal go home and practice on your wife and children first. When you want to shine with extra brilliancy go home and light up the whole household." To which we would add, when you have a bad cold go home and take Chamberlain's Cough Remedy and a quick cure is certain. For sale at Dr. Stone's drug store.

Just Reason.
"I cannot understand why a man's wife is called his 'better half.'"
"You would if you had to divide your salary with one."

That's It! ! !
Cough yourself into a fit of spasms and then wonder why you don't get well. If you will only try a bottle of Ballard's Horehound Syrup your cough will be a thing of the past. It is a positive cure for coughs, influenza, bronchitis and all pulmonary diseases. One bottle will convince you—at your druggist, 25c, 50c, \$1. Sold by D. J. Fry.
