

For Coughs

It would be very interesting to know how many years your family physician has prescribed Ayer's Cherry Pectoral for coughs, colds, and all forms of lung troubles. Ask him the next time you see him. We know physicians who have used it for over half a century.

FLIMFLAMMING ASTORIA CHAMBER OF COMMERCE

PROMOTER WRITES LETTER TO CHAMBER OF COMMERCE MANAGER WHITE AND MAKES STATEMENTS WHICH WERE NEVER HEARD OF IN ASTORIA OR BY HER BUSINESS MEN—INTERESTING READING TO THOSE FAMILIAR WITH PROPOSED VENTURE.

A letter has just been received by manager John H. Whyte, of the Astoria chamber of commerce, from William H. Garland, the gentleman who lately visited the City-by-the-sea and made certain overtures of a valuable and commercial sort, and while it states, in the main, the terms of the negotiations then offered by Mr. Garland, and considered and accepted by the people of Astoria, it alludes to certain facts and figures alleged to have been incorporated in the proposition which were never heard of before the arrival here, yesterday, of Mr. Garland's letter renouncing the alleged contract. The letter referred to, contains a mass of specific information, thus given gratuitously by Mr. Garland, which had it been placed before the people of Astoria, as plainly, during its stay here, would for all time have obliterated his writing the letter and his renunciation of it.

Fees of Counsel for Receiver.

An extreme case, but a typical one, illustrating the enormous charges made by counsel for receivers, is now before Thomas F. Conroy as referee. He is taking the fourth yearly accounting of Charles W. Preston as receiver of the New York Building Loan Banking company.

This banking company had some 2,000 depositors and \$3,000,000 invested when it failed in 1903. The depositors have been paid 15 per cent and they hope to receive an additional and final payment of 7 per cent. Notwithstanding the meager and wretched showing of the trust corporation, the receiver's attorney or counsel, young Mr. Day, asks for \$30,000 for his services from January, 1907, to September, 1907. This is at the rate of \$9,000 a year. Of course, no young lawyer's services are worth any such sum, and it may well be doubted whether they are worth one-half the amount, or even one-quarter; but in this individual case is of no special importance, except as it serves to illustrate an existing danger—that is to say, the payment of excessive fees out of the depleted treasury of a defunct corporation.

Currie Nation

certainly smashed a hole in the bar-rooms of Kansas, but Ballard's Horehound Syrup has smashed all records as a cure for coughs, bronchitis, influenza and all pulmonary diseases. T. C. Horton, Kansas, writes: "I have never found a medicine that would cure a cough so quickly as Ballard's Horehound Syrup. I have used it for years." Sold by D. J. Fry.

Evening Newspapers.

Evening newspapers have attained the first position in the majority of the cities of the United States. When we say first position we mean in circulation, advertising patronage and influence. The leading newspaper in Kansas City is the evening Star, in Minneapolis, the evening Journal, in St. Paul the evening Dispatch, in Indianapolis the evening News, in Newark the evening News, in Washington the evening Star, in Brooklyn, the Eagle, in Philadelphia the Bulletin, in Detroit the News, in St. Louis the Post-Dispatch, in Chicago the Daily News. In many other cities the patronage and influence is about equally divided. In Salem the Capital Journal is first in everything, and yet there are some that are not smart enough to use it. It gives the biggest service at the lowest cost.
