A SALEM

DOCTOR

ROBBED

While Occupants Were Attending a Church Meeting House Was Ransacked.

Between 8 and 10 o'clock last night occurred one of the most daring robberies that has been committed in the city for some time, when thieves entered the home of Dr. L. G. Altman, at the corner of Chemeketa and Liberty streets, within a stone's throw of the police station, and made their escape with a gold watch and chain and two valuable rings, and a small amount of money. The robbery was not discovered until Dr. and Mrs. Altman returned last evening from the Baptist church, where they attended the Riddell lecture. The kitchen door, which was securely bolted before leaving for the church, shortly before 8 o'clock, was found to be broken open. Several bureau drawers were found scattered about the apartments with the contents disarranged. Considerable money was left in the house, but the prospective thugs did not discover its whereabouts, although they searched all over the dwelling. A purse containing several odd coins was also missing besides the watch and rings. The robbers left a candle and some matches in the kitchen, otherwise nothing was left belonging to the housebreakers.

Although the local officers were immediately notified and made a diligent search, no trace of the robbers has been found.

BANQUET

SET FOR

JAN. 28

Salem Board of Trade Has Decided to Give Their Annual Banquet on January 28, at Elks' Hall.

The regular monthly meeting of the Salem Board of Trade will be held this evening at their rooms, and considerable business of a routine nature will be disposed of. The various standing committees will be asked to report, and the work of the special committees will also be brought up.

At a recent meeting of the executive committee arrangements were made for placing the advertising of Salem in 4594 weekly newspapers throughout the East and Middle West. This is being done with a view to getting new correspondents and prospective immigrants prior to the spring excursion rates. Probably no town in Oregon has ever placed their advertising in such a large number of mediums, and excellent results may be expected.

Every member of the Board of Trade, and every enterprising citizen of Salem, is invited to be present at the meeting tonight. It will be held at the Board of Trade rooms, beginning at 8 o'clock.

The contention of Livesley was that Myer held under a void lease, and they were not required to come through with their part of the contract, as he was only a sub-lessee, but the jury took a different view and took the farmer's side of the case.
