LIFE'S BRIGHT SIDE

There is many a rest in the road of life
 If we only would stop to take it.
 And many a tone from the better land,
 If the querulous heart would wake it!
 To the sunny soul that is full of hope,
 And whose beautiful trust ne'er faltereth,
 The grass is green and the flowers are bright,
 Though the wintry storm prevaileth.

Better to hope, though the clouds are low,
 And to keep the eyes still lifted;
 For the sweet blue sky will soon peep through
 When the ominous clouds are rifted.
 There was never a night without a day,
 Or an evening without a morning,
 And the darkest hours, as the proverb goes,
 Is the hour before the dawning.

There is many a gem in the path of life,
 Which we pass in our idle pleasure,
 That is richer far than the jeweled crown,
 Or the miser's hoarded treasure;
 It may be the love of a little child,
 Or a mother's prayer to Heaven;
 Or only a beggar's grateful thanks
 For a cup of water given.

Better to weave in the web of life
 A bright and golden filling,
 And to do God's will with a ready heart,
 And heeds that are swift and willing.
 Than to snap the delicate threads
 Of our curious lives asunder,
 And then blame Heaven for the tangled ends
 And sit and grieve and wonder. —M. A. Kidder.

HOW MANY VOTES WILL BE CAST AT THE PRIMARY?

It is a matter of great interest whether there shall be a falling off of votes at the coming primary in Oregon.

If the people do not take part in making the nominations of candidates **IT CANNOT BE SAID THAT THE LAW IS A SUCCESS.**

It should be observed that the tendency of our registration law is to keep down the number of persons voting.

The first Oregon direct primary election was held April 17, 1906.

The vote was canvassed May 3, 1906.

It will require several weeks this year to get in all the returns and **THE CORRECT VOTE WILL NOT BE KNOWN UNTIL EARLY IN MAY.**

Two years ago Judge Cake believed he was the nominee and even went so far as to receive congratulations on his nomination.

But the later corrected returns that came in gave the nomination to Jonathan Bourne, **AS THE FOOTHILLS VOTE RESPONDED STRONGLY FOR HIM.**

Following is the total vote as returned to the secretary of state two years ago on candidates for the nomination of United States senator:

Jonathan Bourne	12,877
H. M. Cake	12,252
B. A. Lowell	7,500
B. L. Smith	6,383
E. B. Watson	4,241

Total vote42,808

Unless Mr. Cake goes out and makes a campaign **THERE WILL BE NO SPEAKING CAMPAIGN OF CANDIDATES THIS YEAR FOR UNITED STATES SENATOR.**

It will be interesting to note if the total vote falls off or gains:

THE RECENT REMOVAL OF MRS. EDDY.

The change of residence made by Mrs. Eddy, the founder and discoverer of Christian Science, has caused much newspaper talk.

THERE IS MUCH SPECULATION AND EFFORT TO DISCREDIT MRS. EDDY.

She removed herself and personal family attendance from Concord N. H. **TO BOSTON ON LAST SUNDAY BY SPECIAL TRAIN, AND THAT IS COMMENTED ON.**

There was no advertising of her departure, nor heracking of her intention to make Boston her home.

IF SHE HAD SOUGHT NOTORIETY SHE WOULD HAVE ANNOUNCED HER REMOVAL.

A beautiful residence had been fitted up for her with almost princely magnificence in one of the finest suburbs of Boston.

HER RETURN TO BOSTON WAS ALMOST IN THE NATURE OF A TRIUMPHAL ENTRY.

Her former life in Boston was surrounded with struggles, warfare both spiritual and material, and attended with hardship.

AT ONE TIME SHE LIVED IN POOR QUARTERS AND WAS FINANCIALLY POOR.

For thirty years the woman battled alone to establish the truth for which she was contending—life on a higher spiritual plane.

SHE WAS BETRAYED BY THOSE SHE FAVORED AND DRAGGED INTO THE COURTS.

By the world at large she is still misunderstood, misrepresented and to some extent persecuted. By her followers she is revered, adored.

NO EVERY DETAIL OF HER LIFE IS SCRUTINIZED. She occupies the foremost position of any woman living in the (time)light of the world.

There is no royal patronage today shown the consideration **THAT IS GIVEN MRS. EDDY IN THE PRESS AND PERIODICALS.**

So from a worldly standpoint it was fitting that she should move from Concord to Boston with all the stately impressiveness of royalty.

THE BOSTON AND MAINE RAILROAD WAS CLEARED OF TRAFFIC FOR HER TRAIN.

Her special train was composed of four coaches, including the private coach of the president of the Boston and Maine railroad.

Her train was preceded and followed by a lighter locomotive to pre-

vent all **POSSIBILITY OF COLLISIONS AND ACCIDENTS BY NEGLIGENCE.**

If she was able to pay for this service out of her own funds she was entitled to this protection against accidents.

IF THE POLITICAL KINGS OF THIS WORLD TRVEL SO, WHY NOT A SPIRITUAL LEADER?

If such pains can be taken to protect the greatest men in the nation—like Roosevelt, Rockefeller or Mor-gan, why not for Mrs. Eddy?

IF WORLDLY CONQUERORS ARE SO HONORED WHY NOT A LEADER FOR CHRIST?

If the king of England, the emperor of Germany, or the czar of Russia can travel thus, why not an American private citizen, though a woman?

Mrs. Eddy's royalty is not due to the accident of birth. A native of New England, a village school teacher her position is self-made, **GOD-MADE, IF MAN IS THE REFLECTION OF GOD AS THE SCRIPTURE SAYS HE IS.**

So the plain Yankee woman, from the granite hills of New Hampshire, has achieved royalty by service, by presenting to the world a newer and as her adherents claim, **A HIGHER INTERPRETATION OF THE CHRISTIAN THOUGHT.**

That an American woman by sheer force of ability was able to develop herself, promulgate her ideas, publish them to the world, protect them against **BEING APPROPRIATED BY OTHER PROPAGANDISTS,** is to her credit.

That she has been able to move from one city to another in almost royal state reflects credit upon the greatness of a free country, where all are free to make the most of the opportunities God has given them.

DAYS OF DIZZINESS

Come to Hundreds of Salem People.

There are days of dizziness;
 Spells of headache, alicache, back-ache;

Sometimes rheumatic pains;
 Often urinary disorders.

All tell you plainly the kidneys are sick.

Doan's Kidney Pills cure all kidney ills.

Here is proof in Salem.

I. N. Ridgeway, with the Oregon Nursery Company and living at 205 Commercial St., Salem, Or., says: "I knew I had kidney trouble because there were pains in the small of my back and twinges when I stooped or lifted. Even at night the pains were still there, and in the morning I would rise lame and sore. I tired easily and felt languid and sometimes was dreadfully nervous. Occasionally I had headaches and at such times my sight would be blurred. There was also sediment in the secretions. My experience proved that Doan's Kidney Pills have no superior for curing kidney complaint and backache. They are just the thing every sufferer from these troubles should use. Nothing could have suited my case better. They went right to the seat of the trouble and completely relieved me. Doan's Kidney Pills have my endorsement."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

It remains for some enterprising amateur world politician to evolve a theory that a navy is to be sent to the Pacific in order to back Japan up in the absorption of Asiatic territory.

INSURANCE COMPANIES ARE GETTING EVEN.

San Francisco, Jan. 29.—The people of San Francisco paid the great sum of \$5,600,000 in fire insurance policies in 1907. This is the largest amount ever taken out of this city by the companies, and it appears that the lowest loss ratio in local history must be recorded for the year. Much local complaint over insurance charges has been heard. The chamber of commerce of San Francisco has argued the question of rates with the executive committee of the board of fire underwriters in behalf of the city's mercantile interests.

The chief contention of the chamber of commerce was that it was unfair to maintain 25 per cent higher rates in California than were paid in other states west of the Rocky Mountains.

The total premiums paid in San Francisco in 1905 was \$2,987,260. In 1906 the payments were advanced to \$4,318,275. The premiums of 1907 were more than \$1,000,000 greater for this city than were those of 1906, and \$2,700,000 in round figures more than those of 1905, which was a boom year in real estate values.
