MADE FINE ADDRESS

...d of Trade Rooms Are Alive All the Time.

...M. O. Lownsdale, president of the ...llamette Valley Apple Growers' ...ociation and a prominent or... ...ardist of Lafayette, addressed a ...eting in the board of trade rooms ...terday afternoon.

The secretary of the association, ...T. Reynolds of this city, called ...meeting to order and after a few ...remarks introduced Mr. Lownsdale, ...who in eloquent and direct language ...set forth the situation of the or... ...ards in the Willamette valley and ...the fruit growing prospects.

The speaker said: "The old or... ...ards have got to come down, and ...as president of the Willamette Val... ...ley Apple Growers association I de... ...mand that these old orchards come ...down." The address was demon... ...strated with a stump and scion for ...illustration of the process of graft... ...ing, also with a box of apples which ...had been prepared for the occasion ...to show the various methods of pack... ...ing the different sized fruit in vari... ...ous sized boxes.

During the meeting many ques... ...tions were asked which were explic... ...itly answered by the speaker, who ...explained that he was only "an apple ...grower" and would not advance any ...theory for the care of any other ...fruit.

When the call was made for new ...members by Secretary Reynolds ...a few new names were added to the ...association.

...Friday, Feb. 7, at 1 p. m., County ...Fruit Inspector Armstrong will have ...the necessary appliances at the ...board of trade rooms and will give ...a demonstration in the grafting of ...pear and cherry trees.

A COMPOSITE GENIUS

...Seems to Have Read Biography the Wrong Way.

...reading the lives of men who ...played a great part in life we are ...struck by the fact that those ...who were in many cases ad... ...dicted to certain vices. But it ...would be well for young men to re... ...member that the great ones of the ...world succeeded not because of any ...failings they may have had, but ...in spite of them. To get the great... ...est possible benefit from reading ...biography we should make an effort ...to imitate great men in their earn... ...estness and goodness and not in ...their failings or badness. There ...is nothing unworthy to be found ...in the lives of all men, human na... ...ture being far from perfect. But ...this truthfulness is not to be cop... ...ied. The young man spoken of in ...the following little story seems to ...have read biography the wrong way: ...He lingered near the managing ...editor's desk, waiting for an ap... ...pointment on the regular staff.

..."You drink," said the man... ...ager, wishing to let the young fel... ...low down easy.

..." replied the young man. ...So did Alexander the Great."

..."You are a dude," glancing ...at the youth's dandified dress.

..."So was Disraeli."

..."You are a liar."

..."So was Napoleon Bonaparte."

..."And you swear occasionally?"

..."So did George Washington."

..."You are liable to get drunk."

..."So did Daniel Webster."

..."And you write a fearful scrawl."

..."So did Horace Greely."

..."Well," said the manager, plung... ...ing into a heap of manuscript, "any... ...way, we don't need you. You won't ...do. Good morning."

...The young man turned away sor... ...rowfully. "It's no sort of use," he ...sighed. "A fellow combines in his own ...proper person the traits of all the ...great men from Alexander to Gree... ...ley, and can't even get a place on a ...newspaper. The world is growing ...blind to genius."—Exchange.

MANY WILL BE GLAD OF THIS

Catarrh Eradicated by Using a Very Simple Home-Made Mixture.

Here is a simple prescription which drives from the blood and system every vestige of catarrhal poison with remarkable promptness. To prepare the mixture: Get from any good prescription pharmacy one-half ounce Fluid Extract Dandelion one ounce Compound Kargon and three ounces Compound Syrup Sarsaparilla. Shake well and use in teaspoonful doses after each meal and at bedtime.

This is a harmless mixture, which has a peculiar action upon the eliminative tissues of the kidneys, assisting them to filter and strain from the blood and system the catarrhal poisons, which, if not eradicated, are absorbed by the mucous membrane, and an open sore or catarrh is the result.

This remarkably simple recipe has been the means of relieving thousands of men and women of this foul and dangerous disease, and every sufferer here should give it a test, as it is not expensive nor unpleasant to take.

Prepare some and try it, anyway, as it is certain to do much good, if only to purify and sweeten the blood; though it may prove just what your system requires to overcome the catarrhal condition.

Why She Allowed Him.

It was close on midnight, and the professional guest felt it was high time for him to stop playing.

"Perhaps I'd better not play any more tonight," he said, wearily. "I see you have near neighbors; and they might be annoyed.

"You needn't mind them for a minute," said his hostess, earnestly "We are perfectly sure they poisoned our cat, and if they did nothing is too bad for them."—Youth's Companion.

COFFEE

Why do we drink so much poor coffee?

Because good coffee is so good.

Your grocer returns your money if you don't like Schilling's Best: we pay him.

Had Confidence in Him.

"Mind now," said the judge, "you are sworn to tell the truth, and if you do not the penitentiary will be your portion.

The man took the oath and then whispered to his friend:

"John, I'm afeared it's all up with you—the judge says I've got to tell the truth."

"That's all right, Jim," said his friend, with confidence, "I ain't a-worrin' about that kaze you can't do it."—Atlanta Constitution.
