

# FACTS FOR SICK WOMEN

LYDIA E. PINKHAM

No other medicine has been so successful in relieving the suffering of women or received so many genuine testimonials as has Lydia E. Pinkham's Vegetable Compound. In every community you will find women who have been restored to health by Lydia E. Pinkham's Vegetable Compound. Almost every one you meet has either been benefited by it, or has friends who have. In the Pinkham Laboratory at Lynn, Mass., any woman any day may see the files containing over one million one hundred thousand letters from women seeking health, and here are the letters in which they openly state over their own signatures that they were cured by Lydia E. Pinkham's Vegetable Compound. Lydia E. Pinkham's Vegetable Compound has saved many women from surgical operations. Lydia E. Pinkham's Vegetable Compound is made from roots and herbs, without drugs, and is wholesome and harmless. The reason why Lydia E. Pinkham's Vegetable Compound is so successful is because it contains ingredients which act directly upon the feminine organism, restoring it to a healthy normal condition. Women who are suffering from those distressing ills peculiar to their sex should not lose sight of these facts or doubt the ability of Lydia E. Pinkham's Vegetable Compound to restore their health.

from November 1 to April 1, when the ground is in condition for the No doubt in coming years the Willamette valley will be heard from in this industry as well as in other lines of horticulture.
