## TILLAMOOK'S GANG OF YOUTHFUL BURGLARS

### He is Shot and of the Gang Numbering Nearly Thirty Seven Are Arrested-Four Caught Breaking Into Store

(Tillamook Headlight.)  
Last Thursday night about 30 young men set out from a room in this city, some intent on mischief, and having broken up into small gangs, repeated what they had been doing for a long time, for they had been growing more bold and daring, burglarizing premises. Seven of the gang came to grief, who were rounded up by Sheriff Crenshaw on Friday morning and landed in jail, with the prospects of the younger ones being to the reform school and the older ones to the penitentiary.

near the hip, plowing nearly through it. It seems that Catterlin was the first out of the window, and was followed by Loll and Oliver, and in their hurry to escape they knocked Catterlin into the large body of water which had accumulated in the basement for the concrete building. He might have drowned there, but it seems that Harry Foster, who happened along at the time, helped to pull him out. One of the boys went to Dr. Ross at the Allen house and asked him to dress Catterlin's wound, and as he thought the bullet had passed through the fleshy part of the leg, he said he would do so in the morning. At 5 o'clock in the morning Catterlin was wheeled home in a wheelbarrow by other young men. Friday Dr. Boals extracted the bullet, which had gone within an inch of going right through the leg.

The first clue was Loll's hat, which was picked up inside of the house near the window with "Louis Loll" written on the inside. A few minutes afterwards Sheriff Crenshaw pulled Loll out of bed and had him in the lock-up. The most funny part of it being that after he had dressed he could not find his hat in his room, and had not missed it until then. Catterlin's hat was also found in the water, but as the boy was in bed suffering with the gunshot wound the sheriff did not take him to jail. George Smith and Walter Oliver were soon arrested and all indicted by Deputy District Attorney Cooper for burglary. Waiving examination, Justice White bound them over to the circuit court, placing the bail at \$1000 each. Catterlin and Oliver furnished the bond and Loll and Smith were locked up in the county jail.

### Warehouse Broken Into.

On the night of Jan. 10 the warehouse on the dock was broken into and no clue was obtained of that burglary until Friday. It seems that Louis Loll, Harry Long, Arthur Eberman and Harry Foster planned this, and the day they broke into the warehouse they were quizzing and hanging around the dock most of the day. They arranged to meet at the dock that night, but Long failed to put in an appearance. Loll, Foster and Eberman clipped the staple off the door so that they could get admittance, but before doing so they went up town and found Long, who was attending a lodge. The four then went to the dock and opened the door of the warehouse and went in, and after rolling out a barrel, they closed the door. They took the barrel to the lumber company's wharf and broke it open. It contained 72 bottles of whiskey, and was consigned to Earl Ford, who had been employed at Stephens' pool room. They divided up the whiskey and then scattered, some of them hiding the bottles under the sidewalks. On Saturday Sheriff Crenshaw rounded them up, and when arraigned on a charge of burglary, Eberman and Foster pleaded guilty and were bound over in \$1000 each to the circuit court, while Long demanded a hearing, which was held on Monday, when he was also bound over in a like sum by Justice of the Peace A. T. White. This he furnished, also Eberman, but Foster is locked up in the county jail. Loll is also implicated in the burglary at Jenkins' store.

### Spasms St. Vitus' Dance

Many persons who suffered untold agonies from epilepsy, fits, spasms, and St. Vitus' Dance are today well. The strengthening influence of Dr. Miles' Nervine upon the shattered nerves having restored them to perfect health.

"I endured agony that words cannot express from St. Vitus' dance, which followed a very severe spell of rheumatism. I doctored with a physician but many physicians, he continued the worse I got. My mother's devotion saved me. After she had become almost heart-broken, as well as physically exhausted from constant care, by the advice of a neighbor she procured a bottle of Dr. Miles' Nervine. From the first dose to the last a continual change for the better was noticeable, and when I had taken eleven bottles I was well, and in robust health."

EDWARD D. REAM, North Manchester, Indiana.  
"Our little boy Harry, had spasms for three years, and although we doctored with many physicians, he continued to grow worse until he had ten spasms in one week. About that time our attention was called to Dr. Miles' Nervine. We began giving it to him. His improvement seemed slow, but when he had finished the fourth bottle the spasms had disappeared, and when I had taken seven more bottles I was well, and in robust health."

MRS. BELLE M. TINDALL, Hastings, Neb.  
Dr. Miles' Nervine is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails, he will refund your money.

## THE CITY FATHERS AT WORK

### A BUSINESS SESSION

**BOUGHT A STREET SWEEPER, LET THE "Y" REMAIN, PAID DIERCK'S HOSPITAL BILL, ELECTED A SURVEYOR AND GOT DOWN TO BUSINESS GENERALLY.**

The city fathers held the regular semi-monthly business meeting last night.

Among the business transacted was the adoption of the bridge committee report granting the Portland General Electric the privilege of building a bridge on the west or lower side of the present concrete structure over North Mill creek. This city will release the company from any damage that might be caused by driving piling near the wing wall of the present bridge, provided that certain specifications of the committee are carried out in the placing of the piers. The company will be asked to vacate the concrete bridge immediately.

The meeting was called to order by Mayor Rodgers and the following aldermen answered to roll call: Radcliff, Millard, Goode, Lowe, Stolz, Eldridge, Moores, Stockton, Waldo and Moffitt.

The committee reported favorably on the bill providing for the appointment of a poundmaster which report was approved by the council.

The bill providing for the requirements and specifications for improving the city streets was reported on favorably Aldermen Greenbaum and Elliott came in at this time.

**Tillman's Bill Allowed.**  
A bill of Prof. Tillman for surveying streets in North Salem was introduced and after the ayes and noes had been taken the bill was ordered paid. The bill for Prof. Tillman's work which itemized his labor at \$7.50 per day brought forth a discussion as to whether or not \$7.50 was not an exorbitant price to pay a surveyor.

Alderman Greenbaum said that the committee on streets had engaged Mr. Tillman understanding that the salary was to be \$7.50 per day and therefore the council should pay the price asked. This bill amounted to \$491.25. A bill for other labor in surveying which amounted to \$100.50 was also ordered paid.

**Street Sweeper Ordered.**  
The council ordered the purchase of an Austin street sweeper at cost of \$350. The sweeper will be purchased immediately and will probably arrive in the city in a week or so.

**The "Y" Question.**  
The committee on streets reported that the Oregon Electric had no legal right under the franchise to place the "Y" on State street, but recommended that the company be allowed to use the "Y" for a time for the purpose of turning cars. The committee recommended that the company be allowed to permanently use the "Y" as a connection between the two tracks, but not a turn table.

**Often The Kidneys Are Weakened by Over-Work.**  
Unhealthy Kidneys Make Impure Blood.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Why does the telephone bell always ring just as you are fairly seated at the table with a mouthful of food?
