

NEGRO PIRATES PLUNDER LINER

A thrilling account of the shipwreck of the Woermann liner Ascam... which recently went on the rocks off Grand Bassa, Liberia...

The night the steamer struck was a dark one, and she seemed to be going to pieces rapidly. The crew took to the boats and immediately thought of practical negroes in canoes surrounded the steamer, swarmed aboard and plundered her.

They watched the negroes going to the ship and returning from her laden with booty. Finally the vessel disappeared and the negroes departed. The crew, taking to their boats, rowed 17 hours to the northward and were picked up, completely exhausted, by a passing steamer of Montreal.

The Depot. Albany is to be congratulated upon its prospects of securing a new depot that will be a credit to this railroad. The location is not of so much importance as the position it will be in connection with the yard, the fact that it will be a union depot and that it will be commodious, convenient and lasting.

Severe Pains

When a prominent nerve is affected, the pain is severe. It is called neuralgia. It may be in either the head or body. Relief comes only when this nerve trouble is overcome. By its soothing and strengthening influence upon the nervous system Dr. Miles' Nervine removes the cause.

"I was about two years ago that I was taken down with what the doctors called was neuralgia, and some of the pain would go from one place to another mostly in my head and they would get relief. During those spells I would be so nervous that I hardly knew what I was doing. The pains were so severe and exhausting that I would have to lie in bed for days, and in a day or two I would be up again. Just as soon as I would get up I would have a spell of neuralgia. I had taken lots of doctor's medicine, but it didn't seem to do any good. I had written me to just try Dr. Miles' Nervine, and I am thankful that it has cured me—has driven me out of my system."

DR. H. C. DIXON, 2218 Broadway, N. Y., St. Joseph, Mo. Dr. Miles' Nervine is sold by your druggist, who will guarantee that the medicine will benefit you. If it fails, he will refund your money. Dr. Miles Medical Co., Elkhart, Ind.

MIX FOR COLDS.

The formula as printed below was given out by a prominent doctor who has made a national reputation for his wonderful skill in the cure of throat and lung diseases.

Half ounce of Concentrated oil of pine, two ounces of glycerine, half pint of good whisky; mix these by shaking them thoroughly and use in doses of a teaspoonful to a table-spoonful every four hours, shaking the bottle well each time.

The only care necessary is to be sure to get the Concentrated oil of pine because recently there have been numerous patent medicines imitations put out. These, on account of not being soluble, are dangerous, besides producing nausea.

The real "Concentrated" oil of pine can be obtained of any good prescription druggist and comes put up for medical use only in half-ounce vials securely sealed in tin screw top cases, which protect it from light, and retain all the original ozone.

The average man will quit the society of a pretty woman any time to see a \$10 election bet put up.

CASTORIA. The Kind You Have Always Bought. Beware the Signature. *Chas. H. Peterson*

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, or the kidneys themselves break down and waste away cell by cell.

Bladder troubles almost always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

BEER PROMOTES TEMPERANCE

Recognized as a Food Product, and So Dealt With by the Government

It is being recognized the world over that the drinking of beer promotes temperance and sobriety to a far greater extent than all the prohibition laws on the statute books.

All enlightened European nations are encouraging the manufacture and consumption of light beers containing about three and one-half per cent alcohol, and the result has been most gratifying to all sincere lovers of temperance.

The United States government has taken a positive stand in this direction, the war department holding that the re-establishing of the army canteen for the sale of beer being an absolute necessity in the interest of temperance and sobriety.

Beer is today recognized as a "Food Product," and is so dealt with by the government.

All the great insurance companies have contradicted the lies that have been given currency through prohibition sources that the drinking of beer was a bar to securing insurance, and have lately published to the world at large the statement that those drinking beer moderately (not more than two quarts during twenty-four hours) were the very best of risks. The latest British life insurance reports show that the ratio of death rate among abstainers is thirty per cent greater than among moderate drinkers.

Beer is pure and wholesome, and the day is not far distant when it will be as much a part of the daily subsistence of every family as are milk, bread and other food necessities.

The beer brewed by the Salem Brewery Association is in every sense the very best that modern enterprise can produce. It speaks for itself and is its own best advertisement.
