General Manager Talbot, of the Oregon Electric, was in the city Thursday and made an investigation into the car service from the standpoint of giving people more time to transact business in the Capital City. The result is more cars will be put on soon.

## ARRESTED FOR

### PICKING POCKET.

Chief of Police Gibson this afternoon arrested a man whose name is said to be J. Johnson, on the charge of the larceny of a purse from the pocket of J. G. Cole at Talkington's saloon. Johansen, it seems had been enjoying a few glasses of beer with some friends, and was under the influence of the liquor, when the idea occurred to him to relieve Mr. Cole, who was standing near, of his pocketbook. He succeeded in extracting the purse from his victim's pocket and taking out the contents, said to be about \$14. He passed the money pouch to a friend. The friend did not wish to keep the purse, and gave it over to the bartender, who, together with Mr. Cole, notified the police. Johansen and his friends were taken to the police station, but, as no evidence could be obtained against the friend, he was released. Johansen will probably be arraigned this afternoon.
