the handle controls the umbrella. Whoever secures control of the speakership secures control of the house. The ribs of the umbrella are the spokesman of the speaker. The ribs have braces, the spokesmen have friends. The whole membership is the cover. The umbrella moves up or down, as the holder pre-sets the spring, so the person that holds the speakership controls the house. The people see only the outside of the umbrella. The machinery within has been arranged by the rules. The minority party was intended to perform the function of the fastener on the outside of the umbrella, but as the button, so to speak, has been destroyed by the rules, the minority party is now a useless legislative flap. (Applause on the Democratic side.)

END OF A HUNT FOR TREASURE.

Empay of the golden treasure her crew had hoped to grasp from the miserly grasp of the sea, the little schooner Monterey returned to San Francisco Saturday morning from Manzanillo, on the Mexican coast. The romantic expedition, which has occupied the hardy adventurers since Christmas in their endeavor to retrieve the fortune sunk with the ill-fated Golden Gate over forty years ago, proved a failure, but another attempt will be made this fall. In 1862 the steamer Golden Gate, loaded with a cargo of newly dug California gold, left this port bound for the isthmus of Panama. Off the Mexican flames gained such headway they could not be checked. In order to save the lives of the passengers and crew it was decided to run the ship ashore. She finally sank in several fathoms of water and with her went the load of almost fabulous wealth.

KEEPING OPEN HOUSE.

Everybody is welcome when we feel good; and we feel that way only when our digestive organs are working properly. Dr. King's New Life Pills regulate the action of stomach, liver and bowels so perfectly one can't help feeling good when he uses these pills. 25c at J. C. Perry's drug store.

RESTLESS NERVOUS

Do you get up in the morning tired, languid, and frequently with headache almost unbearable? You have been unable to rest or sleep. It is nervous exhaustion, and affects the heart, lungs, stomach and all the organs that depend upon the nerves for motive power. What you need is Dr. Miles' Nervine to restore nervous energy and give new life to the organs.
