is preserved—and produced—by Robertine, a mild, delightful preparation, delicately fragrant. Makes the skin exquisitely soft, banishes cracked appearance caused by over-dryness; reduces the size of enlarged pores, cleanses them, reduces inflammation and spreads an even, radiant glow due to wholesome nourishment of skin glands and stimulation of the capillaries which also feed the skin and supply its healthful color.

## HAD NOT THE LATE FLURRY

### IN THE FINANCIAL WORLD

Tied up money to a certain extent, this ad would not appear, for without doubt we would have been sold out some months ago. However, each week brings us nearer the goal, which is converting our stock into cash as soon as possible. Our stock and fixtures are for sale or trade, as both partners desire to get out of business for physical reasons. So long as we continue our aim will be to reduce stock rapidly at prices only sufficient to cover cost.

Our entire stock of room mouldings are going at 2c per foot. Formerly 4c to 6c per ft. You can save from 21-2c to 25c per bolt on wall paper.
