The press and public are unanimous in their endorsement of this play, and everyone ought to see it. The Kirke La Shelle company enjoys the reputation of giving the public a first class entertainment and this season has engaged an organizaton of superior players, among its members being W. S. Hart and Frank Campeau. Mr. Hart is an exceptionally good actor and his recent great success in "The Squaw Man" has paved his way to greater things. He will be seen in the part of the Virginian and is sure to please. Frank Campeau in his original role of Trampas is sure to attract the many friends he has made in the past few seasons. Many of the original cast have been retained, and a good performance is assured.

**Thousands of Tourists Attend.**

This is indeed an age of wonders, and one-half the world scarce realizes what the other half is doing. A little town away over in Bavaria, by the name of Oberammergau, has startled the world by its great sacred devotion. There are about 100 films in this country portraying the acts of these simple people in their great play. The original cost of this film is enormous, but like any photo hundreds can be made from the original. The performance deals with all the surrounding scenes of the birth of Christ, is sublime, grand, real, making an impression on the minds of young and old that never can be erased. At the Grand opera house, Friday and Saturday nights, March 6 and 7. Continuous performances at 7 and 8:30 p. m.

**FRANK DAVEY PARTS WITH GEER**

Harney County News: The News advocates the re-nomination of Congressman Ellis because his record in congress is that of faithful and honest service for the people and the interest of Oregon; because his membership in congress from 1896 to 1900 gives him an acquaintance and prestige which enhance his influence and usefulness beyond the possibility of any new man to attain; because he a far abler, broader and greater man in statesmanship than he was when first sent to congress; because since his return to congress he has served only part of one term and to replace him now would weaken the influence of Oregon in that body; because in conformity with approved customs he is entitled to another term, there being no complaint or charge against him in any respect. He is also a strong friend of interior Oregon.

**Reform School Report.**

Superintendent N. H. Looney of the reform school yesterday morning submitted to the governor his report for February, showing 117 inmates enrolled; two dismissed during the month, and the following seven recommended for parole under the care of their relatives: Herman Hammitte of Roseburg, James Guthrie of Portland, Eugene Pugiliese of Portland, W. McClure of Monmouth, Earl Soules of Woodburn, Ambrose Cain of Salem and James Boggs of Roseburg. Superintendent Looney suggests that James Lenzi and Frank Labi, who were arrested, having run away from home, be returned to their parents in South Carolina, who have written for them.

**Do Not Crowd the Season.**

The first warm days of spring bring with them a desire to get out and enjoy the exhilirating air and sun shine. Children that have been housed up all winter are brought out and you wonder where they all came from. The heavy winter clothing is thrown aside and many shed their flannels. Then a cold wave comes and people say that grip is epidemic. Colds at this season are even more dangerous than in midwinter, as there is much more danger of pneumonia. Take Chamberlain's Cough Remedy, however, and you will have nothing to fear. It always cures, and we have never known a cold to result in pneumonia when it was used. It is pleasant and safe to take. Children like it. For sale at Dr. Stone's drug store.

# The Real Value

If you have headache or neuralgia you want relief; want it quick. Dr. Miles' Anti-Pain Pills--stop the pain in just a few minutes. But their real value lies in the fact that they leave no bad after effects. They do not create nausea or derange the stomach. Nothing can therefore take the place of Anti-Pain Pills for the relief of headache or other pain.

"Dr. Miles' Anti-Pain Pills do all that is claimed for them in curing headache and neuralgia. I was in Farmington and I had a fearful headache; the gentleman of the house said, 'Take one of my wife's Pain Pills,' and I did, and in less than one-half hour I felt as well as ever. I asked the name of these and he said Dr. Miles' Anti-Pain Pills. I purchased a box, and told my family I had found a great prize—something to cure headache. My three daughters also used them. A thousand thanks for such a remedy."
