STAYTON JOINS THE BOOSTERS

The town of Stayton formally joined the boost brigade Saturday when a meeting was held there and speeches full of enthusiasm for the Willamette valley and Stayton were made. Of course, many prominent Salem boosters were there, because this city is becoming the head of the booster movement of the north-west. In the same spirit that Stayton sent to Portland for Tom Richardson, who delivered one of his usual energetic speeches, they sent to Salem for the following boosters, who made short, but to the point addresses: F. G. Deckerbach, president, and A. F. Hofer, secretary of Salem board of trade, R. K. Page, of the Salem branch of the Portland Railway, Light & Power company. Addresses were made by many of the Staytonites. After the meeting a banquet was given in the Odd Fellows hall.

EASILY DECIDED This Question Should Be Answered Easily by Salem People.

Which is wiser—to have confidence in the opinion of your fellow-citizens, of people you know, or depend on statement made by utter strangers residing in far-away places? Read the following:

W. J. Cariton, of 1446 Third St., Salem, Ore., says: "Doan's Kidney Pills, which I procured at Dr. Stone's drug store, not only strengthened my kidneys but they speedily removed the backache and lameness. A remedy that acts with such prompt and beneficial results as Doan's Kidney Pills is worthy of all confidence. I can conscientiously recommend them to others for I know I never had any medicine of the kind equal to them for curing backache and kidney trouble."

Do Not Crowd the Season.

The first warm days of spring bring with them a desire to get out and enjoy the exhilarating air and sun shine. Children that have been housed up all winter are brought out and you wonder where they all came from. The heavy winter clothing is thrown aside and many shed their flannels. Then a cold wave comes and people say that grip is epidemic. Colds at this season are even more dangerous than in mid-winter, as there is much more danger of pneumonia. Take Chamberlain's Cough Remedy, however, and you will have nothing to fear. It always cures, and we have never known a cold to result in pneumonia when it was used. It is pleasant and safe to take. Children like it. For sale at Dr. Stone's drug store.

U'Ren will drive the snakes out of Oregon at the opera house tomorrow evening—St. Patrick's day.

Chamberlain's Cough Remedy is Both Agreeable and Effective.

Chamberlain's Cough Remedy has no superior for coughs, colds and croup, and the fact that it is pleasant to take and contains nothing in any way injurious has made it a favorite with mothers. Mr. W. S. Pelham, a merchant of Kirksville, Iowa, says: "For more than 20 years Chamberlain's Cough Remedy has been my leading remedy for all throat troubles. It is especially successful in cases of croup. Children like it and my customers who have used it will not take any other." For sale at Dr. Stone's drug store.

No Use to Die.

"I have found out that there is no use to die of lung trouble as long as you can get Dr. King's New Discovery," says Mrs. J. P. White, of Rushhorst, Pa. "I would not be alive today only for that wonderful medicine. It loosens up a cough quicker than anything else, and cures lung disease even after the case is pronounced hopeless." This most reliable remedy for coughs and colds, lagrippe, asthma, bronchitis and hoarseness, is sold under guarantee at J. C. Perry's drug store; 50c and \$1.00. Trial bottle free.
