## ROOSEVELT'S HOT MESSAGE

### The Republicans in Congress Will Have to Hump

#### MESSAGE FROM THE PRESIDENT

#### TO CONGRESS

ABOLITION OF CHILD LABOR AND THE EMPLOYERS' LIABILITY ACT—A POSTAL SAVINGS BANK—WOD PULP ON FREE LIST—SAYS THAT BANKS ARE ENTIRELY LEGITIMATE.

Washington, Mar. 25.—President Roosevelt today sent what will probably be his last message to the president of the sixtieth congress. In (Continued on page five.)

#### SENATOR BROWNELL CLEARED

#### OF ALL THE CHARGES

INDICTMENT WAS THE WORK OF A BITTER POLITICAL ENEMY—CLOUD HANGING OVER HIM FOR THREE YEARS HAS BEEN REMOVED AT LAST.

Dismissal of the indictments pending against former Senator George C. Brownell was the first official act of United States District Attorney John McCourt, in the Federal Court this morning. F. J. Heney executed his promise to Mr. (Continued on page eight.)

#### IMPORTANT FOREIGN AFFAIRS

#### GERMANY OBJECTS

TO RECEIVING SUCCESSOR TO AMBASSADOR TOWER FOR PERSONAL REASONS—CONGRESS HELPS JAP FAH—COREANS STILL WANT TO KILL ONE OF THEIR ENEMIES

(United Press Leased Wire.) Washington, March 25.—An effort is to be made in congress today to wipe out the "roast" dealt Judge Willey, of the United States court at Shanghai by the sub-committee which recently examined the charges of high-handedness brought against him by certain American interests in China. Congressman Denby, of Michigan, will allege that unless the conclusions of the sub-committee are wiped out, the efficiency of Judge Willey will be seriously impaired.

**German Emperor Objects.**  
Washington, March 25.—For personal reasons, Emperor William has declined to receive David Jayne Hill, appointed to succeed American Ambassador Tower, at Berlin, and he has notified the state department at Washington to that effect. The Kaiser assures President Roosevelt that his objection to Hill is purely personal, and that he hopes a wrong impression will not be gained in the matter, and that it will not give rise to any complications. The President and Secretary Root have the Kaiser's note under consideration.

**Help Tokio Fair.**  
Washington, March 25.—Francis B. Loomis formerly assistant secretary of state, is to be appointed commissioner-general for the United States to the Tokio exposition. Congress has been asked to appropriate \$500,000 for the exhibit, in accordance with the President's earnest plea for a noteworthy participation in Japan's exposition, for the good it will do in promoting friendly relations.

**Condition of Stevens.**  
San Francisco, March 25.—D. W. Stevens, the wounded adviser to the Korean council of state, passed a fairly comfortable night, but his condition is practically unchanged. In order to locate the two bullets in his body, Stevens will be subjected to the X-rays this afternoon. Chun, wounded by Chang, was reported today as having a better chance for recovery than at any time since he was shot.

**Must Kill Stevens.**  
Los Angeles, Cal., March 25.—Had not Durham W. Stevens, American adviser to the Japanese government in Korea, been assaulted and shot in San Francisco, he undoubtedly would have suffered at the hands of Los Angeles Koreans, upon arriving here. The Korean colony in this city has held a meeting, and one of their number, H. Cynn, has been sent to San Francisco to aid Koreans in trouble there, and assist in their defense. #### PARDON HARRY ORCHARD

#### IS IDAHO SENTIMENT

MRS. STEUNENBERG WILL HEAD PETITION—FRISCO ROMANCE HAS HAPPY ENDING—M'GEE CASE HAS A WHIRL IN COURT—THE VANDERBILT FAMILY ARE AT ODDS FOR LIFE.

(United Press Leased Wire.) Boise, Idaho, March 25.—Mrs. Frank Steunenberg, the widow of Idaho's martyred governor, will sign a petition that will be circulated in Caldwell, asking the state board of pardons to commute the sentence of Harry Orchard, sentenced to be hanged May 15 for the Steunenberg murder. It is understood that the brother of the dead governor and other members of the Steunenberg family will also sign the petition. The circulation of the petition will begin this week, and will be very generally signed. The claim is made that 90 per cent of the voters of Caldwell will affix their names to it. The decision to present the petition to the board was reached after it was learned that the members of the board desired to know the sentiment of the people of Canyon county before acting on Judge Wood's recommendation.

**In Spite of Parents.**  
San Francisco, March 25.—A pretty romance, with parental objection, and probable permanent banishment and estrangement for the groom-to-be lurking in the background, will find its culmination next Tuesday, when C. F. Buckley, Jr., and Miss Edna Middleton, one of San Francisco's belles, are wedded. The young man is the son of Dr. Charles F. Buckley, a millionaire and society man, and his sweetheart is the daughter of John Middleton. Dr. Buckley is opposed to the marriage simply because he does not favor hymeneal contracts, and he so informed the young man. In spite of his objection, Buckley announced his engagement a few days ago, and since then his father has passed him in silence. The wedding will take place at the Middleton home, just the same as if there had not been a ripple of any kind.

**McKee Divorce Case.**  
Paris, March 24.—The McKee divorce case had another inning today, when Attorney Labori, representing Hart McKee, read in court letters exchanged between the latter and his wife, before their marriage. Labori dwelt upon the alleged heart code in the letters, his purpose being to show that Mrs. McKee, then Mrs. Tevis, indulged in questionable correspondence before her marriage to the Pittsburg millionaire. This brought a protest from Mrs. McKee's counsel, who insisted that a wrong interpretation had been placed on the code. Mrs. McKee is plaintiff in the case.

**A Big Separation.**  
New York, March 25.—After efforts to locate either Alfred G. Vanderbilt or his wife, from whom he is reported to have separated, failed, but it is the general belief among (Continued on page eight.)

#### TEDDY MAY NOT REFUSE

#### BARKIS IS WILLING

EDITOR TARDIEU SAYS IF THERE IS ANY DEADLOCK IN THE CONVENTION THE PRESIDENT WILL TAKE THE NOMINATION—STRAINED RELATIONS GROWING OUT OF NEW MAN FOR BERLIN.

(United Press Leased Wire.) Paris, March 25.—That President Roosevelt will accept the Republican nomination at the coming Republican convention in case of a deadlock is the impress that has been gained here, from an interview with Senator Henry Cabot Lodge, published in the Temps. Editor Tardieu, in his recent visit in the United States, discussed the political situation in America with the senator, who is one of President Roosevelt's warmest personal friends. During this discussion Tardieu was assured that the President was sincere in saying that he is not seeking a third term, but Senator Lodge declared that, if after several ballots had not been taken, Taft is not nominated the President would be put forward as a candidate. In this case, he intimated, the President would be chosen again, and under such circumstances would consent to run.

**President Is Embarrassed.**  
Washington, March 25.—The action of the German government in refusing to receive the proposed ambassador places the administration in a difficult position. It was learned this afternoon that the Kaiser's objection grew out of an incident that occurred during the visit of Prince Henry, the German ruler's brother, to this country some time ago, while Hill was first assistant secretary of state. #### POLICY IS WELL RECEIVED

#### GETTING TOGETHER

THE BETTER TIMES SOCIETY GET BUSY—OBJECT TO TAFT AND BRYAN—RAILROADS ARE ENJOYING THEIR USUAL GOOD HEALTH AFTER THEIR DOSE OF BLUE MASS—TO TAX STOCK GAMBLERS.

(United Press Leased Wire.) Washington, March 25.—President Roosevelt's message this morning received more than ordinary attention when it was read in congress today, and generally commended on all sides. The absence of attacks on persons or corporations prevented its occasioning the resentment which has followed most of Roosevelt's messages.

**Republicans Will Act.**  
The Democrats in the house applauded the reference to the tariff revision, and Representative Payne, of New York, moved that the message be referred to a committee of the whole. This motion brought Representative Sulzer to his feet with a query as to how long the document would slumber there, and why the last message remained there so long. Payne replied that the last message would have been reported on long ago if the minority leader had not asked for time to carry on a debate. He said this resulted in a delay. Remarking on the document, Representative Cushman said it was a very characteristic one that will do good. Sulzer, of New York, said: "It is a fine message. The Republicans will now get a hump on themselves."

**Anti-Radicalism.**  
Albany, N. Y., March 25.—A prop (Continued on page five.)
