

# WE ALL USE PE-RU-NA IN OUR HOME

Who is best able to judge of the value of Pe-ru-na? The housewife who has used it in her home for years, or prejudiced, sensational writers who have never used Pe-ru-na in their lives? It will not take any fair-minded reader a minute to decide which is the best evidence. The mothers of the United States believe in Pe-ru-na. The half million women who praise Pe-ru-na receive no pay for doing so, and the half dozen editors who disparage Pe-ru-na get big pay for doing so. Which is the best evidence?

MRS. ANNIE TESCH.

### New Eats and Sleeps Well.

Mrs. Annie Tesch, 337 23rd Avenue, Milwaukee, Wis., writes: "When I wrote to you for advice, my health was a total wreck. I could not sleep and thought I would die, as there seemed to be no help for me. But I followed your advice and took Peruna and Manalin.

"I am now cured. I can eat and sleep well, and enjoy life. 'I never will be without Peruna, should any of us be sick.'"

### Catarh of Worst Form.

Mrs. Amanda Long, 7257 Soeley Avenue, Chicago, Ill., writes:

"I believe that I am cured of catarh of the worst form and of long standing. 'I was almost a total wreck. I tried almost everything and doctored with a number of doctors, but they did me no good.

"I tried Peruna as a last resort, and by the time I had taken one bottle I could see that it was helping me, and so I continued taking it. I can say now that I have not felt the slightest symptoms for three months, and I think there is nothing like Peruna. I still keep it in the house, and think there is no medicine like it. I cannot praise it too highly, and bless the day that I learned of it."

Mrs. Judge J. F. Boyer, 1421 Sherman Avenue, Evanston, Ill., writes that several complications united in pulling her down, and she thanks Peruna for new life and strength.

### Pe-ru-na Tablets.

For two years Dr. Hartman and his assistants have incessantly labored to create Peruna in tablet form, and their strenuous labors have just been crowned with success. People who object to liquid medicines can now secure Peruna tablets. Each tablet is equivalent to one average dose of Peruna.

### Sore Throat for Years.

Mrs. C. Dasher, 384 Irving Avenue, Chicago, Ill., Curator Natural History Society, writes:

"I am glad to be able to recommend Peruna for chronic sore throat. I had been troubled with sore throat for years, but could find nothing to help me. I had an awful gagging in the morning and was subject to dizzy spells. I could not draw a free breath and life had no pleasure for me. My throat was dry and parched.

"I supposed I was doomed to spend the rest of my days in this condition, when I heard what good Peruna had been to others, so I tried a bottle of it. After using it I was much better and six bottles of it cured me.

"I cannot say too much for Peruna, and I hope that some poor sufferer like myself will see this and give it a trial."

MRS. J. C. RUSSELL.

### Acute Indigestion.

Mr. John C. Russell, 810 County Street, Portsmouth, Va., writes regarding his wife's case as follows:

"I thought it would be doing but justice to your great medicine to tell you what it has done for my wife.

"Two years ago the doctor called at our house, on an average, three times a week, in attendance upon my wife, who was suffering from acute indigestion. Her suffering was so great that nothing but morphine would give her relief.

"While on a visit to some friends in Norfolk she had an attack and I prepared to go for the doctor, when our friend proposed Peruna. I gave her a dose, repeating it in a half hour, and her pains passed away. Since that time my wife has gained thirty pounds.

"We are never out of Peruna. When the children or I have a cold we take some of mamma's Peruna. I find it has cut my doctor bills down to almost nothing."

### Gained Thirty Pounds.

MRS. C. DASHEL.

### Pe-ru-na for Her Children.

Mrs. Alice Bogie, 805 Clinton St., Circleville, Ohio, writes:

"I want to inform you what Peruna has done for me.

"I have been afflicted with catarh for several years. I have tried different medicines and none seemed to do me any good until I used Peruna. I have taken six bottles and can praise it very highly for the good it has done me.

"I also find it of great benefit to my children."

## SILETZ INDIANS AT WAR

Two Families Fighting Over an Old Feud That is Helped Along By Whiskey.

(United Press Leased Wire.)

Toledo, Or., March 25.—A blood feud has started among the Indians on the Siletz Indian reservation, as the result of a fatal stabbing melee Thursday night. Late yesterday Larkey Logan, who was arrested as a participant in the knife fight Thursday, was the target for four revolver bullets fired by Howard Garnier, a brother of the dead man. Larkey was being taken to jail at the time of the shooting. Garnier, with his wife and daughter, stationed themselves on the second-story balcony of a hotel overlooking the street and waited Logan's arrival.

All three were armed, but after the first shot from Garnier's weapon, the nerve of the Indian's wife failed and she threw her arm against her husband's pistol hand, spoiling his aim. All were arrested and searched.

The feeling between the two families are running high and both factions are going about armed.

### Whiskey the Cause.

Lincoln county is dry, but it is known that whiskey is responsible for this recent bitter feeling among the usually peaceful Siletz Indians. Portland liquor houses are known to be shipping large quantities of whiskey to the reservation, and Toledo boot-leggers have been doing a thriving business unmolested for many months.

Drunken brawls have been frequent of late among the Indians of the reservation. The red men have a good supply of knives and revolvers, and there is no telling where the trouble will end.

Willie Garnier was stabbed by Larkey Logan last Thursday night. The wounded boy was brought to the hospital in this city, but died Saturday.

(United Press Leased Wire.)

Vancouver, B. C., March 25.—

One hundred and forty-six Hindus, the majority of whom arrived from the Orient by the steamer Mont Eagle, and who were ordered deported because they had not come directly by continuous passage from the land of their birth, have been released on a writ of habeas corpus. The Hindus were held for deportation under the Dominion government's order in council of January, which has been declared by Justice Clement, of the supreme court, to be altogether illegal.

It is understood here that three special commissioners is to be sent here from the colonial office in London to report on the situation. Secretary of State for India Morley has asked that action be taken to solve the "extremely difficult and possibly dangerous situation."

# LEADING BUSINESS MEN OF PORTLAND AGT

Do Not Want Next Legislature Tainted With a Barrel Senatorial Struggle— Selling Nottingham and Fred Dresser for State Senators

A Portland special says: Ben Selling, former state senator; C. W. Nottingham, at present a member of the senate, and Fred Dresser, one of the leading merchants of the city, listening to the demands of an ever-widening number of citizens of Portland and Multnomah county, have decided to enter the race for the legislature, and will become candidates for the state senate on the Republican ticket and a straight and flat-footed Statement No. 1 platform.

Because of the same insistent demand that good men of the city make the race for the legislature in opposition to the old theory of boss rule and machine politics, and upon a platform representing the right of the people to rule a number of candidates for the lower house of the legislature have made their appearance upon a straight Statement No. 1 platform. Those who have already announced their candidacy are J. C. Bryant, Dr. L. M. Davis, Fred Brady of Sunnyside, K. C. Couch Mayor of St. Johns, and Arthur W. Orton, W. J. Clemens, E. J. Jaeger and George H. Parsons are also probable candidates who are expected to file their declarations within a few days.

### Friends Urge Candidacies.

For some little time a large number of prominent men in the city and country have been insisting that ex-Senator Ben Selling, Senator C. W. Nottingham and Fred Dresser enter the race for the state senate on a Statement No. 1 ticket. These men were loth to take the step, knowing that it would mean much time lost from their private business, and the consequent financial sacrifice. They have at last yielded, however, to the plea made to them that they should make some sacrifice for the sake of the political principles in which they believed, and, because of this argument have determined to become candidates. The slogan of the candidates will be: "We stand for principle and not for a scramble for office."

Their final decision was influenced in large part by a numerously signed petition addressed to them, which read as follows:

To the Honorable Ben Selling, C. W. Nottingham and Fred Dresser, greeting:

We, the undersigned citizens and Republicans of the county of Multno-

mah, believing in the established principles of the Republican party as enunciated by the immortal Lincoln—that this is a government of the people, by the people and for the people—and that this great principle is represented by our primary law, which permits the people by their votes to express a preference as to who shall represent them in the United States senate, respectfully request that you severally announce yourselves in accordance with the law provided therefor, as candidates for the Republican nomination at the April primary nominating election for the office of state senator, promising you our hearty support and co-operation for your election:

W. O. Haines, W. B. Glafke, W. H. Dryer, W. W. Ballam, G. H. Pearson, J. W. Bunn, H. C. Thompson, H. J. Fisher, F. Dayton, M. Baruh, W. O. Fouch, Dan J. Malarkey, Lewis Russell, Francis Sealy, J. H. Page, F. H. Page, William Schmeer, Emery W. Schmeer, L. Gerlinger, Thomas McCosker, Edward J. Jaeger, W. J. Clemens, L. H. Adams, Will A. Knight, W. H. Markell, B. J. Dresser, A. J. Hawkins, J. D. Paquet, Joseph M. Healy, H. E. Straus, Frank U. Jones, Edgar-Damen,

### Mr. Selling's Letter.

In reply to this petition Mr. Selling has prepared a statement of acceptance of the call of his friends in which he agrees to become a candidate on a Statement No. 1 platform. His letter is as follows:

"Portland, Or., March 24—Messrs. Fletcher Linn, E. W. Rowe, Lewis Russell, J. R. Wetherbee, W. S. Woodward, L. Gerlinger, Jerry E. Bronaugh, F. Dayton, H. Metzger, H. J. Fisher, J. H. Page, W. B. Glafke and others:

"Gentlemen: Believing in the principles, 'The people should rule,' I consent to become a candidate for state senator on the platform of Statement No. 1. I elected I will vote for the people's choice for United States senator, and will give the same attention to matters coming before the legislature as I do my own business.

"I thank you for your confidence.

"Very respectfully yours,

"BEN SELLING."

### Declarations Coming.

The declarations of Senator Nottingham and Mr. Selling will be filed this afternoon, while Mr. Dresser's

declaration will be filed either tomorrow or the next day. It is expected that the various prospective candidates mentioned for the house representatives will prepare their declarations and file them within a few days.

The men who have thus come on a Statement No. 1 platform make a straight fight for the position between now and the primaries. From what encouragement has already come to them they are assured that the great mass of voters opposed to ring and machine politics will stand back of their campaign, and support them to the polls.
