

The way of the transgressor is Lard

The wise housewife specifies *Cottolene* every time in place of lard. Anyone with a particle of respect for his stomach would prefer a pure vegetable product to one made from the fat of the hog.

Cottolene is always pure; lard isn't.

Cottolene will make more palatable food than lard, and food that any stomach can digest with ease. Lard is a friend of indigestion.

Cottolene is put up in odor-proof, sealed tin pails; most lard comes in bulk, and will absorb any old odor which is near it.

You can prove every word we say by buying and trying a pail of *Cottolene*. All good grocers sell it; all the great cooking authorities of America recommend it.

Why So Many Senators Die.

Editor Journal:

Can you publish a list of United States senators who have died within the past four years? Is it not possible that some secret agency is at work in this country that is causing such a fatality among the members of the United States senate. Notice that within a very short time Alabama has lost two by death, Maryland two by death, Oregon one by death, Florida two by death, South Carolina one by death, and another's life hangs in the balance from the same state. Am under the impression that there have been other death in the upper house recently. It likewise seems strange that the minority party should have the greatest per centage of loss.

Do Not Crowd the Season.

The first warm days of spring bring with them a desire to get out and enjoy the exhilarating air and sun shine. Children that have been housed up all winter are brought out and you wonder where they all came from. The heavy winter clothing is thrown aside and many shed their flannels. Then a cold wave comes and people say that grip is epidemic. Colds at this season are even more dangerous than in mid-winter, as there is much more danger of pneumonia. Take Chamberlain's Cough Remedy, however, and you will have nothing to fear. It always cures, and we have never known a cold to result in pneumonia when it was used. It is pleasant and safe to take. Children like it. For sale at Dr. Stone's drug store.

Garden soil ought to be too dainty a feeder to be given coarse, strawy manure; the well rotted form is much better for the soil's stomach.

LABOR LEADER ON RACE SUICIDE

London, March 26.—John Burns, labor leader and president of the local government board in the cabinet, has taken issue with President Roosevelt on the race suicide question.

"I do not plead for a desolating flood of babies," he said, speaking to the delegates to the national conference of infantile mortality. "I attach more importance to quality than to quantity. Let us first look properly after those we have before starting an agitation to produce a greater number. Let us mitigate the slaughter of innocents under a year old, and cease our cruel neglect of those above that age before shouting to the nation to give us a higher birth rate."

Takes Right View.

A. C. Libby has, we believe, used good judgment in coming fairly out in his promise to support at all times the choice of the people, irrespective of his personal preference. It will make him hundreds of votes. MEMBERS WHO WANT TO DO WHAT IS RIGHT WILL AT ALL TIMES TRY TO CARRY OUT THE EXPRESSED WISHES OF THEIR CONSTITUENTS. Mr. Libby is well known in Marion county and has the qualification to make a useful member. We hope to see him get a big vote.

Chamberlain's Cough Remedy Is Both Agreeable and Effective.

Chamberlain's Cough Remedy has no superior for coughs, colds and croup, and the fact that it is pleasant to take and contains nothing in any way injurious has made it a favorite with mothers. Mr. W. S. Pelham, a merchant of Kirksville, Iowa, says: "For more than 20 years Chamberlain's Cough Remedy has been my leading remedy for all throat troubles. It is especially successful in cases of croup. Children like it and my customers who have used it will not take any other." For sale at Dr. Stone's drug store.

MAKES WORK EASIER.

Salem People Are Pleased to Learn How It Is Done.

It's pretty hard to attend to duties with a constantly aching back; with annoying urinary disorders. Doan's Kidney Pills make work easier.

They cure backache. They cure every kidney ill. W. H. Wood, of 250 Cottage St., Salem, Ore., says: "A good many years ago I got badly kicked by a mule right over the kidneys and at another time while digging a well it caved in on me also injuring my back and since then I have had more or less annoyance from my kidneys. Change of weather caused my back to ache and when I worked hard it became so lame that I could hardly straighten up after stooping. I procured Doan's Kidney Pills at Stone's drug store, and since taking them I have continued to work hard and been exposed to severe weather, not an ache or other symptom of my former trouble remains. This clearly proves that Doan's Kidney Pills act up to the representations made for them. I also know of other people who have derived great benefit from their use. I am glad to let others know the merits of Doan's Kidney Pills for backache and kidney trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remington

This is the testimony of every typewriter user who knows by experience the relative performance of writing machines.

The man of all men who swears by the Remington is the man who has tried to get the same service out of some other machine.

A man may know the Remington or he may know some other typewriter, but the man who really knows typewriters is the man who knows the difference between the Remington and others.
