

Hair Help

Your doctor will tell you just why we use sulphur, glycerin, etc., etc., in Ayer's Hair Vigor. Ask him about it.

If you cannot be handsome, be as handsome as you can. Every human being has a legal right to good looks. Know of anything that contributes more to it than a splendid head of hair? Ayer's Hair Vigor keeps the hair soft and smooth, makes it grow faster. Does not color the hair. J. C. Ayer & Co., Lowell, Mass.

MERCHANT WILLS FORTUNE TO CLERKS

(United Press Leased Wire.) New York, Mar. 30.—By the terms of the will of James L. Coustant, a druggist of New Rochelle, just made public today it was found that the greater part of his estate, amounting to about \$300,000 is left to his two clerks, Francis C. Bone and William R. Carter, "in recognition of their faithful and conscientious service."

Bone had been with Mr. Coustant for 22 years, and Carter for 12 years. Chamberlain's Cough Remedy is Both Agreeable and Effective. Chamberlain's Cough Remedy has no superior for coughs, colds and croup, and the fact that it is pleasant to take and contains nothing in any way injurious has made it a favorite with mothers. Mr. W. B. Pelham, a merchant of Kirksville, Iowa, says: "For more than 20 years Chamberlain's Cough Remedy has been my leading remedy for all throat troubles. It is especially successful in cases of croup. Children like it and my customers who have used it will not take any other." For sale at Dr. Stone's drug store.

FOR THE HONOR OF THE NAVY

(United Press Leased Wire.) Navy Yard, Puget Sound, Mar. 30.—On the strength of a rumor that the navy department is to try an experiment by firing a 12-inch shell against the turret of the monitor Florida to test the efficiency of the armor and ascertain the effect of the concussion on the men inside, four men of the cruiser Pennsylvania have volunteered to join the Florida's turret crew and give up their lives if need be, in the interest of naval science. These men, under the age of 20 years, are E. H. Kohler, gunner's mate; S. H. Phillips, assistant mate; Gus Chaney, ship's cook's mate, and E. F. Kidrich, ship's printer.

VANDERBILT FAMILY ARE AT PEACE

(United Press Leased Wire.) New York, Mar. 30.—Mrs. A. G. Vanderbilt declares that the report circulated to the effect that she contemplates divorce proceedings against her husband, Alfred G. Vanderbilt, is absolutely without foundation. "The only reason I left Newport and came to live in my brother's home at Tuxedo," she continued, "is that I was advised to do so on account of my son's ill-health. A change of air was suggested for him, and that is why I am here. I shall return to Newport at the end of six weeks. I am tired of all this publicity."

Mrs. Vanderbilt says there is nothing strange about her husband's intention to lease a house in London, as he goes abroad every year.

No Use to Die. "I have found out that there is no use to die of lung trouble as long as you can get Dr. King's New Discovery," says Mrs. J. P. White, of Rushboro, Pa. "I would not be alive today only for that wonderful medicine. It loosens up a cough quicker than anything else, and cures lung disease even after the case is pronounced hopeless." This most reliable remedy for coughs and colds, lagrippe, asthma, bronchitis and hoarseness, is sold under guarantee at J. C. Perry's drug store; 50c and \$1.00. Trial bottle free.

VESSEL IN STORM LOADED WITH DEATH

(United Press Leased Wire.) Seattle, Wash., March 30.—A gale that set 200 barrels of oil afloat in her hold, smashed some acid tanks and caused a false alarm of fire, which originated from the acid fumes that rose from the hatch, was the experience of the steamship Tampico off the Columbia bar. The vessel had 500 tons of dynamite on board.

The Tampico reached port last evening with her hold swimming in lubricating oil, and with her starboard lifeboat swept away. The crew seeing the haze, sent up a shout of fire and started to lower the boats. Then it was discovered that there was no fire. The boatswain was severely injured in the mishap.

SHAM BATTLE WAS REAL THING

(United Press Leased Wire.) Vancouver, B. C., Mar. 30.—A sham battle yesterday afternoon given by military men of Vancouver was not all sham. That no one was killed is a source of wonderment, for by mistake, cartridges containing brass wadding and others loaded with soft bullets for target practice were fired at close range.

Good for Everybody. Mr. Norman R. Coulter, a prominent architect, in the Delbert building, San Francisco, says: "I fully endorse all that has been said of Electric Bitters as a tonic medicine. It is good for everybody. It corrects stomach, liver and kidney disorders in a prompt and efficient manner and builds up the system." Electric Bitters is the best spring medicine ever sold over a druggist's counter; as a blood purifier it is unequalled; 50c at J. C. Perry's drug store.

GRAND LODGES OF ODD FELLOWS COMING.

Plans are under way for the reception of the four bodies of Odd Fellows at their annual meeting to be held in this city May 19 to 21. This is the first time since 1898 that Salem has been selected as the Convention City and a reception committee has been appointed, which expects to do justice to the hospitable reputation this city has for the entertainment of her guests.

The four bodies, which comprise the Odd Fellows are the Grand Lodge of the Independent Order of Odd Fellows, the Encampment, the Rebekahs, and the Kremlin Baku Mucovites. It is expected that 1000 visitors will come to this city during the three days of the convention.

A Notre Dame Lady's Appeal. To all knowing sufferers of rheumatism, whether muscular or of the joints, sciatica, lumbago, backache, pains in the kidneys or neuralgia pains, to write to her for a home treatment which has repeatedly cured all of these tortures. She feels it her duty to send it to all sufferers FREE. You cure yourself at home as thousands will testify—no change of climate being necessary. This simple discovery banishes uric acid from the blood, loosens the stiffened joints, purifies the blood, and brightens the eyes, giving elasticity and tone to the whole system. If the above interests you, for proof address Mrs. M. Summers, Box R, Notre Dame, Ind.

Notice to Improve a Portion of High Street.

Notice is hereby given that at the meeting of the Common Council of the City of Salem, Oregon, held March 16, 1908, a resolution was adopted to improve High street between the north line of State street and the south line of Court street, in the following manner:

First: By grading the roadway of said street between said points full width from curb to curb to the proper subgrade. Second: By paving the space between the rails and one and one-half feet outside of the rails of the Oregon Electric Railway Company with vitrified brick, in accordance with the plans and specifications for the proposed improvement of the street railway track of the Portland Railway, Light & Power Company on State street, the cost of said improvement to be assessed against the right of way of the said Oregon Electric Railway Company. Third: By paving said roadway, save and except the space between the rails and one and one-half feet outside of the rails of said railway track of the Oregon Electric Railway Company, with Warren's Bitumastic water-proof pavement. The cost of said improvement to be assessed on the owners of adjacent property, as provided in the charter of said city. Remonstrances against the above improvement may be filed within 20 days from the first publication of this notice.

By order of Common Council, W. A. MOORES, Recorder. Date of first publication of this notice, the 20th day of March, 1908. 3-20-108
